## **Issues**

1. Did the carrier reimburse provider according to correct Medicare locality?
2. Is the requestor entitled to reimbursement?

## **Findings**

1. 28 Texas Administrative Code §134.203(b)(1) states, in pertinent part, “for coding, billing reporting, and reimbursement of professional medical services, Texas Workers’ Compensation system participants shall apply the following: (1) Medicare payment policies, including its coding; billing; correct coding initiatives (CCI) edits; modifiers; ... and other payment policies in effect on the date a service is provided...”

Box 32 of the CMS-1500 submitted by the requestor, zip code of facility location is 77494. Per the Medicare Locality Lookup found at [www.cms.gov](http://www.cms.gov), zip code 77494 is locality 99 “Rest of Texas.” The division finds that the carrier reimbursed the requestor according to the correct locality.

2. For the reasons stated above, the services in dispute are not eligible for additional payment pursuant to 28 TAC §134.203 (c).

The requestor received reimbursement in the amount of \$155.19; the amount eligible for payment is \$155.16. Therefore, no additional payment is recommended.

## **Conclusion**

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

**ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
