**FINDINGS AND DECISION**

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

- 28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.
- The services in dispute were reduced/denied by the respondent with the following reason codes:
  - 219 – Based on extent of injury.
  - 246 – The treatment/service has been determined to be unrelated to the extent of injury. Final adjudication has not taken place.

**Issue**

- Did the requestor waive the right to medical fee dispute resolution?

**Findings**

28 Texas Administrative Code §133.307(c)(1) states: "Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR Section receives the request. (A) A request for medical fee dispute resolution that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of the service in dispute is December 8, 2011. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on July 29, 2013. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services involve issues identified in §133.307, subparagraph (B), which states in part, "a request may be filed later than one year after the dates of service if a related compensability, extent of injury, or liability dispute under Labor Code Chapter 410 has been filed, the medical fee dispute shall be filed not later than 60 days after the date the requestor receives the final decision, inclusive of all appeals, on compensability, extent of injury, or liability." Review of the Contested Case Hearing Decision and Order finds this decision was signed by the Hearing Officer on June 8, 2012. The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR

Section; consequently, the requestor has waived the right to medical fee dispute resolution.

**Conclusion**

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.

**ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
