#### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

1. 28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.

**Issue**

Did the requestor waive the right to medical fee dispute resolution?

**Findings**

28 Texas Administrative Code §133.307(c)(1) states: "Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR

Section receives the request. (A) A request for medical fee dispute resolution that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of the services in dispute is May 09, 2012. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on July 29, 2013. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307, subparagraph (B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

**Conclusion**

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.
