Issues

1. Has the Designated Doctor (DD) examination been reimbursed appropriately per 28 Texas Administrative Code §134.204?
2. Is the requestor entitled to reimbursement for the disputed services under 28 Texas Administrative Code §134.204?

Findings

1. Requestor billed with CPT Code 99456-W5-WP with five units in the amount of \$1,100.00 for a Maximum Medical Improvement (MMI) and Impairment Rating (IR) examination.

Per 28 Administrative Code §134.204 states the following: (j) Maximum Medical Improvement and/or Impairment Rating (MMI/IR) examinations shall be billed and reimbursed as follows: (1) The total MAR for an MMI/IR examination shall be equal to the MMI evaluation reimbursement plus the reimbursement for the body area(s) evaluated for the assignment of an IR. The MMI/IR examination shall include.

(3) The following applies for billing and reimbursement of an MMI evaluation, (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350.

(4) The following applies for billing and reimbursement of an IR evaluation, (C) For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas, (i) Musculoskeletal body areas are defined as follows: (I) spine and pelvis; (II) upper extremities and hands; and, (III) lower extremities (including feet), (ii) The MAR for musculoskeletal body areas shall be as follows, (I) \$150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used, (II) If full physical evaluation, with range of motion, is performed, (-a-) \$300 for the first musculoskeletal body area; and (-b-) \$150 for each additional musculoskeletal body area and (iii) If the examining doctor performs the MMI examination and the IR testing of the musculoskeletal body area(s), the examining doctor shall bill using the appropriate MMI CPT code with modifier "WP." Reimbursement shall be 100 percent of the total MAR and for non musculoskeletal body areas the following states: (D) Non-musculoskeletal body areas shall be billed and reimbursed using the appropriate CPT code(s) for the test(s) required for the assignment of IR, (i) Non-musculoskeletal body areas are defined as follows, (I) body systems; (II) body structures (including skin); and, (III) mental and behavioral disorders , (v) The MAR for the assignment of an IR in a non-musculoskeletal body area shall be \$150.

Review of the submitted documentation DWC-32 (Request for Designated Doctor Examination) and DWC-69 (Report of Medical Evaluation) support that a request for designated doctor exam was requested to address the following issues of Maximum Medical Improvement (MMI) and Impairment Rating (IR) examination. Documentation supports Impairment Rating reviewed three musculoskeletal body areas using Range of Motion (ROM) method to the upper extremity (wrist), lower extremity (knee) area and Diagnosis Related Estimate (DRE) method to the spine (cervical, thoracic and lumbar) body area. One non musculoskeletal body area was reviewed.

Therefore, the total allowable Mar for CPT Code is \$1,100.00.

2. The respondent issued payment in the amount of \$950.00. Based upon the documentation submitted, additional reimbursement in the amount of \$150.00 is recommended.

Conclusion

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due.
