FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.204, effective March 1, 2008, sets the reimbursement guidelines for the disputed service.

3. The services in dispute were reduced / denied by the respondent with the following reason codes:
- W1-Workers compensation state fee schedule adjustment.
 - 309-The charge for this procedure exceeds the fee schedule allowance.
 - 193-Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly the first time.

Issues

Is the requestor entitled to additional reimbursement for 99456-WP, 99456-W6 and 99456-W8?

Findings

On the disputed date of service, the requestor billed CPT codes 99456-WP.

- 28 Texas Administrative Code §134.204(i)(1)(A) states “The following shall apply to Designated Doctor Examinations. (1) Designated Doctors shall perform examinations in accordance with Labor Code §§408.004, 408.0041 and 408.151 and Division rules, and shall be billed and reimbursed as follows: (A) Impairment caused by the compensable injury shall be billed and reimbursed in accordance with subsection (j) of this section, and the use of the additional modifier “W5” is the first modifier to be applied when performed by a designated doctor”

A review of the submitted medical billing finds that the requestor did not append modifier “W5” to CPT code 99456.

- 28 Texas Administrative Code §134.204(j)(3) states “The following applies for billing and reimbursement of an MMI evaluation. (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350.”

The requestor billed CPT code 99456 because the examination was performed by a designated doctor.

- Per 28 Texas Administrative Code §134.204(j)(4)(C)(iii) states “If the examining doctor performs the MMI examination and the IR testing of the musculoskeletal body area(s), the examining doctor shall bill using the appropriate MMI CPT code with modifier “WP.” Reimbursement shall be 100 percent of the total MAR.”
- 28 Texas Administrative Code §134.204(n)(18) states “The following Division Modifiers shall be used by HCPs billing professional medical services for correct coding, reporting, billing, and reimbursement of the procedure codes. The “WP” modifier is defined as “Whole Procedure--This modifier shall be added to the CPT code when both the professional and technical components of a procedure are performed by a single HCP.”

A review of the requestor’s billing finds that the “WP” modifier was appended to CPT code 99456 to designate that the provider had performed the MMI examination and the IR testing.

The maximum allowable reimbursement (MAR) for CPT code 99456-WP is:

- 28 Texas Administrative Code §134.204(j)(1) states “Maximum Medical Improvement and/or Impairment Rating (MMI/IR) examinations shall be billed and reimbursed as follows:
(1) The total MAR for an MMI/IR examination shall be equal to the MMI evaluation reimbursement plus the reimbursement for the body area(s) evaluated for the assignment of an IR.
- 28 Texas Administrative Code §134.204(j)(4)(C) states “For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas.”
- 28 Texas Administrative Code §134.204(j)(4)(C)(ii) states “The MAR for musculoskeletal body areas shall be as follows.
(II) If full physical evaluation, with range of motion, is performed:
(-a-) \$300 for the first musculoskeletal body area; and
(-b-) \$150 for each additional musculoskeletal body area.”

A review of the Designated Doctor report finds that a full evaluation with range of motion was performed on the cervical spine; therefore, the MAR is \$300.00 per 28 Texas Administrative Code §134.204(j)(4)(C)(ii)(II)(a)(b). The total allowable for the impairment rating is \$300.00.

Per 28 Texas Administrative Code §134.204(j)(3)(C) the requestor is due \$350.00 for the MMI evaluation.

The Division finds that the total allowable for the MMI/IR evaluation, CPT Code 99456-WP is \$650.00.

On the disputed date of service, the requestor also billed CPT codes 99456-W6, and 99456-W8.

- 28 Texas Administrative Code §134.204(i)(1)(C) stipulates "Extent of the employee's compensable injury shall be billed and reimbursed in accordance with subsection (k) of this section, with the use of the additional modifier "W6."
- 28 Texas Administrative Code §134.204(i)(1)(E) indicates that modifier "W8" is billed for examination that determine the "Ability of the employee to return to work shall be billed and reimbursed in accordance with subsection (k) of this section."

A review of the submitted medical billing finds that the requestor supported billing 99456-W6, and 99456-W8.

The MAR for CPT codes 99456-W6, and 99456-W8 is:

- 28 Texas Administrative Code §134.204(k) states "The following shall apply to Return to Work (RTW) and/or Evaluation of Medical Care (EMC) Examinations. When conducting a Division or insurance carrier requested RTW/EMC examination, the examining doctor shall bill and be reimbursed using CPT Code 99456 with modifier "RE." In either instance of whether MMI/IR is performed or not, the reimbursement shall be \$500 in accordance with subsection (i) of this section and shall include Division-required reports. Testing that is required shall be billed using the appropriate CPT codes and reimbursed in addition to the examination fee."

The requestor did not append the "RE" modifier to CPT codes 99456-W6, and 99456-W8.

- 28 Texas Administrative Code §134.204(i)(2) states "When multiple examinations under the same specific Division order are performed concurrently under paragraph (1)(C) - (F) of this subsection: (A) the first examination shall be reimbursed at 100 percent of the set fee outlined in subsection (k) of this section; (B) the second examination shall be reimbursed at 50 percent of the set fee outlined in subsection (k) of this section; and (C) subsequent examinations shall be reimbursed at 25 percent of the set fee outlined in subsection (k) of this section."

The requestor is due \$500.00 for the extent of injury examination; and \$250.00 for the return to work examination.

The Division finds that the total allowable for these examinations is \$1,400.00. The respondent paid \$1,400.00. As a result, the requestor is entitled to reimbursement of \$0.00.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
