FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.
- The services in dispute were reduced/denied by the respondent with the following reason codes:
 - RC 01 – The charge for the procedure exceeds the amount indicated in the fee schedule.
 - RC 05 – The value of the procedure is included in the value of another procedure performed on this date.
 - RC 14 – The provider charged for duplicate services on the same date.
 - RC 56 – The provider charged for two separate consultations and/or examinations on the same date of service.
 - RC AC – The code does not comply with the definition of a physician service and cannot be reimbursed using physician fee schedule.
 - T029 – The time limit for filing has expired.
 - TX 151 – Payment adjusted because the payer deems the information submitted does not support this many/frequency of services.
 - TX 97 – The benefit for this service is included in the payment/allowance for another service/procedure that has already been adjudicated.
 - TX W1 – Workers Compensation State Fee Schedule Adjustment.

Issue

- Did the requestor waive the right to medical fee dispute resolution?

Findings

28 Texas Administrative Code §133.307(c)(1) states: "Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR Section receives the request. (A) A request for medical fee dispute resolution that does not involve issues

identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of the service in dispute is September 18, 2013. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on April 28, 2015. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307, subparagraph (B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
