### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.204 sets out the fee guidelines for Division-specific services.

3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- P12 – Workers’ compensation jurisdictional fee schedule adjustment.

**Issues**

1. What is the maximum allowable reimbursement (MAR) for the disputed services?
2. Is the requestor entitled to additional reimbursement?

**Findings**

1. Per 28 Texas Administrative Code §134.204 (k),

The following shall apply to Return to Work (RTW) and/or Evaluation of Medical Care (EMC) Examinations. When conducting a Division or insurance carrier requested RTW/EMC examination, the examining doctor shall bill and be reimbursed using CPT Code 99456 with modifier ‘RE.’ **In either instance of whether MMI/IR is performed or not** [emphasis added], the reimbursement shall be \$500 in accordance with subsection (i) of this section and shall include Division-required reports...

Furthermore, 28 Texas Administrative Code §134.204 (i)(2) states,

When multiple examinations under the same specific Division order are performed concurrently under paragraph **(1)(C) - (F)** [emphasis added] of this subsection:

- (A) the first examination shall be reimbursed at 100 percent of the set fee outlined in subsection (k) of this section;
- (B) the second examination shall be reimbursed at 50 percent of the set fee outlined in subsection (k) of this section; and
- (C) subsequent examinations shall be reimbursed at 25 percent of the set fee outlined in subsection (k) of this section.

The submitted documentation indicates that the Designated Doctor performed examinations to determine the extent of the compensable injury and the ability of the injured employee to return to work, as ordered by the Division. Therefore, the correct MAR for these examinations is \$750.00.

2. The total MAR for the disputed services is \$750.00. The insurance carrier paid \$375.00. An additional reimbursement of \$375.00 is recommended.

**Conclusion**

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$375.00.

***ORDER***

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$375.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
