FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.204 sets out the fee guidelines for division-specific services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
• 309 – The charge for this procedure exceeds the fee schedule allowance.

- P12 – Workers’ compensation jurisdictional fee schedule adjustment.
- 4150 – An allowance has been paid for a designated doctor examination as outlined in 134.204(j) for attainment of maximum medical improvement. An additional allowance may be payable if a determination of the impairment caused by the compensable injury was also performed.
- 247 – A payment or denial has already been recommended for this service.
- B13 – Previously paid. Payment for this claim/service may have been provided in a previous payment.

Issues

1. What is the maximum allowable reimbursement (MAR) for the disputed services?
2. Is the requestor entitled to additional reimbursement?

Findings

1. Per 28 Texas Administrative Code §134.204 (j)(3), “The following applies for billing and reimbursement of an MMI evaluation... (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350.” The submitted documentation indicates that the requestor performed an evaluation of Maximum Medical Improvement. Therefore, the correct MAR for this examination is \$350.00.

Per 28 Texas Administrative Code §134.204 (j)(4),

The following applies for billing and reimbursement of an IR evaluation

- (A) The HCP shall include billing components of the IR evaluation with the applicable MMI evaluation CPT code. The **number of body areas rated** [emphasis added] shall be indicated in the units column of the billing form.
- (B) ...
- (C) For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas.
 - (i) Musculoskeletal body areas are defined as follows:
 - (I) spine and pelvis;
 - (II) upper extremities and hands; and,
 - (III) lower extremities (including feet).
 - (ii) The MAR for musculoskeletal body areas shall be as follows.
 - (I) \$150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used.
 - (II) If full physical evaluation, with range of motion, is performed:
 - (-a-) \$300 for the first musculoskeletal body area; and
 - (-b-) \$150 for each additional musculoskeletal body area.

The submitted documentation indicates that while other body areas were examined, the requestor provided an impairment rating only of the spine. The requestor is seeking \$150.00 for this examination. Therefore, the total reimbursement for this examination is \$150.00.

2. The total reimbursement for the disputed services is \$500.00. The insurance carrier paid \$350.00. An additional reimbursement of \$150.00 is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$150.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$150.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
