REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "Unfortunately, the claim has been denied payment 5/26/2015 and 6/29/2015. I have sent reconsideration again via fax after speaking to Miles with AIG to (866) 739-6983. Miles had mentioned another provider other than us. I had asked for copy of EOR since every time I go in and check for status there is no update. I have yet to receive any kind of EOR since last fax 9/9/2015. At this time I am resubmitting this bill because we feel that this is an oversight with the billing department. Enclosed are the supporting documents such as a copy of FCE report, EOR, HCFA 1500."

Amount in Dispute: \$720.00

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 1 – Procedure/service was partially or fully furnished by another provider

- 2 – This procedure requires a provider report
- 3 – A reduction was made because a different provider has billed for the exact services on a previous bill

Issues

1. Did the requestor waive the right to medical fee dispute resolution?

Findings

1. 28 Texas Administrative Code §133.307(c)(1) states:

Timeliness. A requestor shall timely file the request with the division's MFDR Section or waive the right to MFDR. The division shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section.

(A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute.

The date of the services in dispute is December 26, 2014. The request for medical fee dispute resolution was received in the Medical Fee Dispute Resolution (MFDR) Section on January 11, 2016. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307(c)(1)(B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MFDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
