FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. No explanations of benefits were included in the documentation submitted with this dispute.

Issues

Is Memorial Compounding Pharmacy (Memorial) entitled to reimbursement for the disputed compound?

Findings

Memorial submitted documentation stating that the billed charges constitute a compound drug. Compound bills are required to list each drug in the compound and calculating the charge for each drug separately.¹

The submitted documentation does not support that Memorial listed each drug in the disputed compound, calculating the charge for each drug separately. Therefore, Memorial is not eligible for reimbursement of the compound in question.

Conclusion

For the reasons stated above, the Texas Department of Insurance, Division of Workers’ Compensation (DWC) finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the DWC hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
