MEDICAL FEE DISPUTE RESOLUTION FINDINGS AND DECISION

GENERAL INFORMATION

Requestor Name

Memorial Compounding Pharmacy

Respondent Name

Old Republic Insurance Co

MFDR Tracking Number

M4-18-0968-01

Carrier's Austin Representative

Box Number 44

MFDR Date Received

December 06, 2017

REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "The above claimant received medication and the carrier still has not acknowledged receipt of service. The original bill was submitted to carrier on 08/25/2017. The Texas Labor Code Section 408.027 (b) requires that the carrier must pay, reduce, deny or determine to audit the health provider's claim no later than the 45th day after the date of receipt by the carrier."

Amount in Dispute: \$566.53

RESPONDENT'S POSITION SUMMARY

The Division placed a copy of the Medical Fee Dispute Resolution request in the insurance carrier's Austin representative box, which was acknowledged received on December 13, 2017 and January 26, 2018. Per 28 Texas Administrative Code §133.307(d)(1), "The response will be deemed timely if received by the division via mail service, personal delivery, or facsimile within 14 calendar days after the date the respondent received the copy of the requestor's dispute. If the division does not receive the response information within 14 calendar days of the dispute notification, then the division may base its decision on the available information." The insurance carrier did not submit any response for consideration in this dispute. Accordingly, this decision is based on the information available at the time of review.

SUMMARY OF FINDINGS

Dates of Service	Disputed Services	Amount In Dispute	Amount Due
August 15, 2017	Pharmacy Services - Compounds	\$566.53	\$566.53

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.502 sets out the procedures for pharmaceutical benefits.

3. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
4. 28 Texas Administrative Code §134.530 sets out the closed formulary requirements for claims not subject to certified networks.
5. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 00438 – (197) PRECERTIFICATION/AUTHORIZATION/NOTIFICATION ABSENT

Issues

1. Is Old Republic Insurance Co reason for denial of payment supported?
2. Is Memorial Compounding Pharmacy (Memorial) entitled to reimbursement for the compound in question?

Findings

1. Memorial is seeking reimbursement of \$566.53 for a compound dispensed on August 15, 2017. Old Republic Insurance Co denied the disputed compound with claim adjustment reason code 00438 – (197) “PRECERTIFICATION/AUTHORIZATION/NOTIFICATION ABSENT.”

28 Texas Administrative Code §134.530(b)(2) states that preauthorization is **only** required for:

- drugs identified with a status of “N” in the current edition of the *ODG Treatment in Workers' Comp (ODG) / Appendix A, ODG Workers' Compensation Drug Formulary*, and any updates;
- any compound that contains a drug identified with a status of “N” in the current edition of the *ODG Treatment in Workers' Comp (ODG) / Appendix A, ODG Workers' Compensation Drug Formulary*, and any updates; and
- any investigational or experimental drug for which there is early, developing scientific or clinical evidence demonstrating the potential efficacy of the treatment, but which is not yet broadly accepted as the prevailing standard of care as defined in Labor Code §413.014(a).

The division finds that the compound in question does not include a drug identified with a status of “N” in the current edition of the ODG, *Appendix A*. ACE American failed to articulate any arguments to support its denial for preauthorization. Therefore, the division concludes that the compound in question did not require preauthorization and Old Republic Insurance Co’s denial of payment for this reason is not supported. Therefore, the disputed compound will be reviewed for reimbursement.

2. 28 Texas Administrative Code §134.503 applies to the compounds in dispute and states, in pertinent part:

- (c) The insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of:
 - (1) the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:
 - (A) Generic drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.25) + \4.00 dispensing fee per prescription = reimbursement amount;
 - (B) Brand name drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.09) + \4.00 dispensing fee per prescription = reimbursement amount;
 - (C) When compounding, a single compounding fee of \$15 per prescription shall be added to the calculated total for either paragraph (1)(A) or (B) of this subsection; or
 - (2) notwithstanding §133.20(e)(1) of this title (relating to Medical Bill Submission by Health Care Provider), the amount billed to the insurance carrier by the:
 - (A) health care provider; or
 - (B) pharmacy processing agent only if the health care provider has not previously billed the insurance carrier for the prescription drug and the pharmacy processing agent is billing on behalf of the health care provider.

The compound in dispute was billed by listing each drug included in the compound and calculating the charge for each drug separately as required by 28 Texas Administrative Code §134.502(d)(2). Each ingredient is listed below with its corresponding reimbursement amount as applicable.

Ingredient	NDC & Type	Price/Unit	Total Units	AWP Formula §134.503(c)(1)	Billed Amt §134.503 (c)(2)	Lesser of (c)(1) and (c)(2)
Meloxicam	38779274601 Generic	\$194.67	0.18	$\$194.67 \times 0.18 \times 1.25 = \38.19	\$35.04	\$35.04
Flurbiprofen	38779036209 Generic	\$36.58	4.8	$\$36.58 \times 4.8 \times 1.25 = \219.48	\$175.58	\$175.58
Tramadol HCL	38779237409 Generic	\$36.30	6	$\$36.30 \times 6 \times 1.25 = \272.25	\$217.80	\$217.80
Cyclobenzaprine	38779039509 Generic	\$46.33	1.8	$\$46.33 \times 1.8 \times 1.25 = \104.24	\$83.39	\$83.39
Bupivacaine HCL	38779052405 Generic	\$45.60	1.2	$\$45.60 \times 1.2 \times 1.25 = \68.40	\$54.72	\$54.72
Total						\$566.53

The total reimbursement is therefore \$566.53. This amount is recommended.

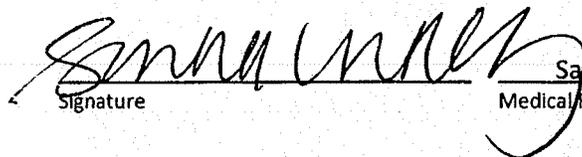

Conclusion

For the reasons stated above, the Division finds that the requestor has established that reimbursement is due. As a result, the amount ordered is \$566.53.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$566.53, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
