Issues

1. What is the timely filing deadline applicable to the medical bills for the disputed services?
2. Did the requestor forfeit the right to reimbursement for the services in dispute?

Findings

1. The insurance carrier denied the disputed services with claim adjustment reason codes:
 - 29 – THE TIME LIMIT FOR FILING HAS EXPIRED.
 - 731 – PER 133.20(B) PROVIDER SHALL NOT SUBMIT A MEDICAL BILL LATER THAN THE 95TH DAY AFTER THE DATE THE SERVICE.
 - 928 – HCP MUST SUBMIT DOCUMENTATION TO SUPPORT EXCEPTION TO TIMELY FILING OF BILL (408.0272). NOTIFICATION OF ERRONEOUS SUBMISSION NOT INCLUDED.

28 Texas Administrative Code §133.20(b) requires that, except as provided in Labor Code §408.0272, “a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided.”

Texas Labor Code §408.0272(b) provides certain exceptions to the 95-day time limit for bill submission:

Notwithstanding Section 408.027, a health care provider who fails to timely submit a claim for payment to the insurance carrier under Section 408.027(a) does not forfeit the provider's right to reimbursement for that claim for payment solely for failure to submit a timely claim if:

- (1) the provider submits proof satisfactory to the commissioner that the provider, within the period prescribed by Section 408.027(a), erroneously filed for reimbursement with:
 - (A) an insurer that issues a policy of group accident and health insurance under which the injured employee is a covered insured;
 - (B) a health maintenance organization that issues an evidence of coverage under which the injured employee is a covered enrollee; or
 - (C) a workers' compensation insurance carrier other than the insurance carrier liable for the payment of benefits under this title; or
- (2) the commissioner determines that the failure resulted from a catastrophic event that substantially interfered with the normal business operations of the provider.

No documentation was found to support that any of the exceptions described in Texas Labor Code §408.0272 apply to the services in this dispute. For that reason, the health care provider was required to submit the medical bill not later than the 95th day following the date the disputed services were provided.

2. Texas Labor Code §408.027(a) states that “Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment.”

Review of the submitted information finds no documentation to support that a medical bill was submitted within 95 days from the date the services were provided. Consequently, the requestor has forfeited the right to reimbursement due to untimely submission of the medical bill, pursuant to Texas Labor Code §408.027(a).

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
