FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

Findings

The Division makes the following conclusions based upon the information and documentation presented to the Division to date. Even though all the evidence was not discussed, it was considered.

1. *Did the carrier make a payment for the disputed services?*

Memorial Compounding Rx (Memorial) asserts that the carrier has not paid for the service in dispute. Review of the information provided finds that the carrier issued a payment in the amount of \$702.69 on October 10, 2017 via check numbered 510292533.

The Division concludes that the carrier reimbursed Memorial for the full disputed amount.

For that reason, the Division moves to resolve this dispute with the information available and concludes that no additional reimbursement can be recommended.

Conclusion

The Division concludes that Memorial has failed to support its request for additional reimbursement. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, and pursuant to Texas Labor Code Section 413.031, the division has determined that the requestor is not entitled to additional reimbursement for the services in dispute.
