November 28, 2017	Compound Medication	\$566.53	\$566.53
	Total	\$899.47	\$846.96

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.240 sets out the procedures for payment or denial of a medical bill.
- 2. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 3. 28 Texas Administrative Code §134.502 sets out the procedures for pharmaceutical benefits.
- 4. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical benefits.
- 5. Texas Labor Code §408.027 sets out the requirements for payment to the health care provider.

6. The submitted documentation does not include explanations of benefits.

<u>Issues</u>

- 1. Did the insurance carrier provide a payment, reduction, or denial to Memorial Compounding Pharmacy (Memorial) prior to the request for medical fee dispute resolution (MFDR)?
- 2. Is Memorial entitled to reimbursement for the services in dispute?

Findings

1. Memorial is seeking reimbursement for Cyclobenzaprine 10 mg tablets, Gabapentin 300 mg capsules, and a compound that were dispensed on November 28, 2017. Flahive, Ogden & Latson argued that "Memorial should send its bill directly to the PBM ... In this case, Memorial dropped the bill to paper and sent directly to the Carrier."

Documentation received in this dispute by the Texas Department of Insurance, Division of Workers' Compensation (DWC) finds that Memorial submitted the bill in question to Zurich, the insurance carrier in this dispute.

The evidence submitted in this dispute is not sufficient to support that a payment, reduction, or denial was provided to Memorial¹ prior to its request for medical fee dispute resolution.

2. Because the insurance carrier failed to support any denial of payment, Memorial is entitled to reimbursement.

The reimbursement for the drugs considered in this dispute is calculated as follows²:

- Cyclobenzaprine 10 mg tablets: (1.092 x 90 x 1.25) + \$4.00 = \$126.85
- Gabapentin 300 mg capsules: (1.3296 x 90 x 1.25) + \$4.00 = \$153.58

The compound in dispute was billed by listing each drug included in the compound and calculating the charge for each drug separately.³ Each ingredient is listed below with its reimbursement amount.⁴ The calculation of the total allowable amount is as follows:

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Meloxicam	38779274601	G	\$194.67	0.18	\$43.80	\$35.04	\$35.04
Flurbiprofen	38779036209	G	\$36.58	4.8	\$219.48	\$175.58	\$175.58
Tramadol	38779237409	G	\$36.30	6	\$272.25	\$217.80	\$217.80
Cyclobenzaprine	38779039509	G	\$46.33	1.8	\$104.25	\$83.39	\$83.39
Bupivacaine	38779052405	G	\$45.60	1.2	\$68.40	\$54.72	\$54.72
						Total	\$566.53

The total reimbursement is therefore \$846.96. This amount is recommended.

Conclusion

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered. For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$846.96.

¹ 28 Texas Administrative Code §133.240; Texas Labor Code §408.027

² 28 Texas Administrative Code §134.503(c)

³ 28 Texas Administrative Code §134.502(d)(2)

⁴ 28 Texas Administrative Code §134.503(c)

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$846.96, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
