FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §133.240 sets out the procedure for medical bill processing by the workers' compensation insurance carrier.
3. 28 Texas Administrative Code §134.503 sets out the reimbursement for pharmacy services.
4. No explanation of benefits were found in the documentation.

Issues

1. Did XL Insurance American Inc, reduce or deny the disputed services not later than the 45th day after receiving the medical bill?
2. Is the requestor entitled to additional reimbursement?

Findings

This medical fee dispute was filed by health care provider Memorial Compounding Pharmacy on November 28, 2017.

1. Memorial contends that XL Insurance American Inc failed to “The carrier has received the attached bill and has not processed according to Texas Labor Code 408.027.”

According to Texas Labor Code Sec. 408.027 (b) XL Insurance America Inc was required to pay, reduce or deny the disputed services not later than the 45th day after it received the medical bill from Memorial. Corresponding 28 Texas Administrative Code §133.240 also required XL Insurance America Inc to take final action by issuing an explanation of benefits not later than the statutorily-required 45th day.

The following evidence supports that XL Insurance America Inc initially received the medical bill for the services in dispute on December 11, 2017.

- A copy of a certified mail receipt dated December 11, 2017, number 7014 2120 0004 2466 3866 addressed to Gallagher Bassett Services.

Although there is evidence that XL Insurance America Inc received a medical bill for the service in dispute on December 11, 2017, XL Insurance America Inc failed to timely take the following actions:

Rule §133.240 (a) An insurance carrier **shall take final action** [emphasis added] after conducting bill review on a complete medical bill...**not later than the 45th day** [emphasis added] after the insurance carrier received a complete medical bill.”

Rule §133.240 (e) The insurance carrier **shall send the explanation of benefits** in accordance with the elements required by §133.500 and §133.501 of this title...The explanation of benefits shall be sent to:

- (1) the health care provider when the insurance carrier makes payment or denies payment on a medical bill...

The Division concludes that XL Insurance America Inc failure to timely issue an appropriate explanation of benefits creates a waiver of any new defenses presented in its response to medical fee dispute. Absent any evidence to the contrary, the Division finds that the services in dispute are eligible for payment.

2. Rule at 28 Texas Administrative Code §134.503 applies to the compound in dispute and states, in pertinent part:

(c) The insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of:

- (1) the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:
 - (A) Generic drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.25) + \4.00 dispensing fee per prescription = reimbursement amount;
 - (B) Brand name drugs: $((AWP \text{ per unit}) \times (\text{number of units}) \times 1.09) + \4.00 dispensing fee per prescription = reimbursement amount;
 - (C) When compounding, a single compounding fee of \$15 per prescription shall be added to the calculated total for either paragraph (1)(A) or (B) of this subsection; or
- (2) notwithstanding §133.20(e)(1) of this title (relating to Medical Bill Submission by Health Care Provider), the amount billed to the insurance carrier by the:

- (A) health care provider; or
- (B) pharmacy processing agent only if the health care provider has not previously billed the insurance carrier for the prescription drug and the pharmacy processing agent is billing on behalf of the health care provider.

The compound in dispute was billed by listing each drug included in the compound and calculating the charge for each drug separately as required by 28 Texas Administrative Code §134.502 (d)(2).

Each ingredient is listed below with its corresponding reimbursement amount as applicable.

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed

Amantadine HCL	3877904110 5	G	\$24.23	3	\$90.84	\$72.69	\$72.69
Gabapentin USP	3877924610 9	G	\$59.85	3.6	\$269.33	\$204.66	\$204.66
Bupivacaine HCL	3877905240 5	G	\$45.60	1.2	\$68.40	\$54.72	\$54.72

						Total	\$555.68

The total reimbursement is therefore \$555.68. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that reimbursement is due. As a result, the amount ordered is \$555.68.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Sec. 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services in dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$555.68, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
