### MEDICAL FEE DISPUTE RESOLUTION FINDINGS AND DECISION

#### GENERAL INFORMATION

**Requestor Name**

Memorial Compounding Pharmacy

**Respondent Name**

Zurich American Insurance Co

**MFDR Tracking Number**

M4-18-3653-01

**Carrier's Austin Representative**

Box Number 19

**MFDR Date Received**

May 29, 2018

#### REQUESTOR'S POSITION SUMMARY

**Requestor's Position Summary:** "The carrier denied the original bill as well and the reconsideration based on lack of preauthorization."

**Amount in Dispute:** \$555.68

#### RESPONDENT'S POSITION SUMMARY

**Respondent's Position Summary:** "Supplemental response will be provided once the bill auditing company has finalized their review."

**Response Submitted by:** Gallagher Bassett

#### SUMMARY OF FINDINGS

Dates of Service	Disputed Services	Amount In Dispute	Amount Due
November 9, 2017	Pharmacy Services - Compounds	\$555.68	\$555.68

#### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

#### Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
- 28 Texas Administrative Code §134.530 sets out prior authorization requirement for pharmacy services.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
  - 197 – "Precertification/authorization/notification absent"

## Issues

1. Did the insurance carrier raise a new issue?
2. Is the insurance carrier's reason for denial of payment supported?
3. Is the requestor entitled to reimbursement for the compound in question?

## Findings

1. The respondent states in their position, "The Requestor did not request and receive preauthorization for this investigational or experimental compound formulation."
2. The requestor is seeking reimbursement of \$555.68 for a compound dispensed November 9, 2017. The carrier denied the disputed compound based on lack of pre-authorization.

28 Texas Administrative Code §134.530(b)(1)(A) which states that preauthorization is **only** required for:

- drugs identified with a status of "N" in the current edition of the *ODG Treatment in Workers' Comp (ODG) / Appendix A, ODG Workers' Compensation Drug Formulary*, and any updates;
- any compound that contains a drug identified with a status of "N" in the current edition of the *ODG Treatment in Workers' Comp (ODG) / Appendix A, ODG Workers' Compensation Drug Formulary*, and any updates; and
- any investigational or experimental drug for which there is early, developing scientific or clinical evidence demonstrating the potential efficacy of the treatment, but which is not yet broadly accepted as the prevailing standard of care as defined in Labor Code §413.014(a).

The division finds that the compound rendered on the date of service in question does not include a drug identified with a status of "N" in the current edition of the ODG, *Appendix A*. Therefore, the division concludes that the compound in question did not require preauthorization and the carrier's denial of payment for this reason is not supported. Therefore, the disputed compound will be reviewed for reimbursement.

3. 28 TAC §134.503 (c) applies to the compounds in dispute and states, in pertinent part:
  - (c) The insurance carrier shall reimburse the health care provider or pharmacy processing agent for prescription drugs the lesser of:
    - (1) the fee established by the following formulas based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed:
      - (A) Generic drugs:  $((\text{AWP per unit}) \times (\text{number of units}) \times 1.25) + \$4.00$  dispensing fee per prescription = reimbursement amount;
      - (B) Brand name drugs:  $((\text{AWP per unit}) \times (\text{number of units}) \times 1.09) + \$4.00$  dispensing fee per prescription = reimbursement amount;
      - (C) When compounding, a single compounding fee of \$15 per prescription shall be added to the calculated total for either paragraph (1)(A) or (B) of this subsection; or

Ingredient	NDC	Brand/ Generic	Price/ Unit	Total Units	AWP Formula §134.503(c)(1)	Billed Amt §134.503 (c)(2)	Lesser of (c)(1) and (c)(2)
Baclofen	38779038809	G	\$35.63	5.4	\$240.50	\$190.78	\$190.78
Amantadine	38779041105	G	\$24.23	3	\$90.84	\$72.69	\$72.69
Gabapentin	38779246109	G	\$59.85	3.6	\$269.33	\$204.66	\$204.66
Bupivacaine	38779052405	G	\$45.60	1.2	\$68.40	\$54.72	\$54.72
Amitriptyline	38779018904	G	\$18.24	1.8	\$41.04	\$32.83	\$32.83
						Total	\$555.68

The total reimbursement is \$555.68. This amount is recommended.

**Conclusion**

The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$555.68.

***ORDER***

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$555.68, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
