FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.502 sets out the procedures for pharmaceutical benefits.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- 216 – Based on the findings of a review organization
- Notes: "Refill Denied Per Retrospective Peer Review Determination"

Issues

Is the requestor entitled to reimbursement?

Findings

Memorial Compounding Pharmacy (Memorial) is seeking reimbursement for Meloxicam Powder 100% dispensed on September 15, 2017.

Memorial submitted documentation stating that the billed charges constitute a compound drug. Compound bills are required to list each drug in the compound and calculating the charge for each drug separately.¹

The submitted documentation does not support that Memorial listed each drug in the disputed compound, calculating the charge for each drug separately. Therefore, Memorial is not eligible for reimbursement of the compound in question.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
