FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.403 sets out the hospital facility fee guideline for outpatient services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
   - P12 – WORKERS' COMPENSATION JURISDICTIONAL FEE SCHEDULE ADJUSTMENT.
   - 246 – THIS NON-PAYABLE CODE IS FOR REQUIRED REPORTING ONLY.
   - 370 – THE HOSPITAL OUTPATIENT ALLOWANCE WAS CALCULATED ACCORDING TO THE APC RATE, PLUS A MARKUP.
   - 618 – THE VALUE OF THIS PROCEDURE IS PACKAGED INTO THE PAYMENT OF OTHER SERVICES PERFORMED ON THE SAME DATE OF SERVICE.
   - 631 – PT, OT, OR SP CODE PRESENT WITHOUT REQURIED NON-PAYBLE G CODE.
   - 767 – PAID PER O/P FG AT 200%: IMPLANTS NOT APPLICABLE OR SEPARATE REIMBURSEMENT (WITH CERT) NOT REQUESTED PER RULE 134.403(G)

Issues

1. What is the recommended payment for the services in dispute?
2. Is the requestor entitled to additional reimbursement?

Findings

1. This dispute regards outpatient hospital services subject to DWC's *Hospital Facility Fee Guideline*, Rule §134.403, requiring the maximum allowable reimbursement (MAR) to be the Medicare facility specific amount applying Medicare Outpatient Prospective Payment System (OPPS) formulas and factors published in the Federal Register, as modified by DWC rules. Rule §134.403(f)(1) requires the Medicare facility specific amount and any outlier payment be multiplied by 200% for the disputed facility services.

   Medicare assigns an Ambulatory Payment Classification (APC) to OPPS services based on billed procedure codes and supporting documentation. The APC determines the payment rate. Reimbursement for ancillary items and services is packaged with the APC payment. CMS publishes quarterly APC rate updates, available at www.cms.gov.

   Reimbursement for the disputed services is calculated as follows:

   - Procedure code 99285 has status indicator J2, for outpatient visits subject to comprehensive packaging if more than 8 hours observation billed. The provider billed 20 hours of observation. Review of the submitted documentation finds that Medicare criteria for comprehensive packaging under APC 8011 are met.

     APC 8011 has an OPPS Addendum A rate of $2,349.82. This is multiplied by 60% for an unadjusted labor amount of $1,409.89, in turn multiplied by the facility wage index of 0.9756 for an adjusted labor amount of $1,375.49. The non-labor portion is 40% of the APC rate, or $939.93. The cost of services does not exceed the threshold for outlier payment. The sum of the labor and non-labor portions is $2,315.42. The Medicare facility specific amount of $2,315.42 is multiplied by 200% for a MAR of $4,630.84.
   - Payment for *all other services* on the bill is packaged with the primary comprehensive J2 service according to Medicare policy regarding comprehensive APCs. Reimbursement for all items is included in the payment for the primary procedure. Please see *Medicare Claims Processing Manual* Chapter 4 §10.2.3 for further details.

2. The total recommended reimbursement for the disputed services is $4,630.84. The insurance carrier paid $1,272.70. The amount due is $3,358.14. This amount is recommended.

Conclusion

In resolving disputes regarding the amount of payment due for health care determined to be medically necessary and appropriate for treatment of a compensable injury, the role of the division is to adjudicate the payment, given the relevant statutory provisions and division rules.

The division would like to emphasize that the findings and decision in this dispute are based on the evidence presented by the requestor and respondent available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is $3,358.14.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor $3,358.14, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
