FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.240 sets out the procedures for payment and denial of medical bills.
2. 28 Texas Administrative Code §133.305 sets out the procedures for resolving medical disputes.
3. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
4. Texas Insurance Code, Chapter 19 sets out the requirements for utilization review.
5. The insurance carrier denied payment for the disputed compound based on medical necessity.

Issues

1. Is this dispute subject to dismissal based on medical necessity?
2. Is Memorial Compounding Pharmacy (Memorial) entitled to additional reimbursement?

Findings

1. Memorial is seeking reimbursement for a compound dispensed on March 14, 2018. Per explanation of benefits dated April 23, 2018, the insurance carrier denied the disputed compound based on medical necessity.

Medical necessity disputes must be resolved prior to submission of a medical fee dispute.¹ The insurance carrier is required to perform a utilization review before a denial based on medical necessity, including giving the health care provider – in this case, Memorial – an opportunity to discuss the treatment in question.²

The respondent is required to submit documentation to support a denial based on lack of medical necessity.³ The submitted documentation includes a report dated March 9, 2018, as support for utilization review of the disputed compound. This document is not a review of the compound considered in this dispute. The insurance carrier provided no evidence to support that it performed a utilization review of the compound in question to determine medical necessity.⁴

This denial reason is not supported. This dispute is not subject to dismissal based on medical necessity.

2. Because the insurance carrier failed to sufficiently support its denial of reimbursement, Memorial is entitled to reimbursement.

The compound in dispute was billed by listing each drug included in the compound and calculating the charge for each drug separately.⁵ Each ingredient is listed below with its reimbursement amount.⁶ The calculation of the total allowable amount is as follows:

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Flurbiprofen	38779036209	G	\$36.58	6	\$274.35	\$219.48	\$219.48
Meloxicam	38779274601	G	\$64.21	0.18	\$14.45	\$35.04	\$14.45
Mefenamic Acid	38779066906	G	\$123.60	1.8	\$278.10	\$222.48	\$222.48
Baclofen	38779038809	G	\$35.63	3	\$133.61	\$106.89	\$106.89
						Total	\$563.30

The total allowable reimbursement for the compound in dispute is \$563.30. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$563.30.
