2. 28 Texas Administrative Code §134.503 sets out the reimbursement for compound medications

• P12 - Workers Compensation jurisdictional fee schedule adjustment

Findings

The Division makes the following conclusions based upon the information and documentation presented to the Division to date. Even though all the evidence was not discussed, it was considered.

1. Did the carrier reimburse Memorial for the disputed services?

Memorial Compounding Rx (Memorial) asserts that the carrier has not paid for the service in dispute. Review of the explanations of benefits provided finds that the carrier issued a payment in the amount of \$797.04 to Memorial on March 23, 2018 via check number 154378.

The Division concludes that the carrier reimbursed Memorial for the full disputed amount. For that reason, the Division moves to resolve this dispute with the information available and concludes that no additional reimbursement can be recommended.

ORDER

Based on the submitted information, and pursuant to Texas Labor Code Section 413.031, the division has determined that the requestor is not entitled to additional reimbursement for the services in dispute.
