### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

#### **Background**

1. 28 Texas Administrative Code §133.240 sets out the procedures for payment or denial of a medical bill.
2. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
3. Texas Labor Code §408.027 sets out the requirements for payment to the health care provider.
4. The submitted documentation does not include explanations of benefits.

**Issues**

1. Did the insurance carrier raise a new defense in its response?
2. Is Memorial Compounding Pharmacy (Memorial) entitled to reimbursement of the compound in question?

**Findings**

1. Memorial is seeking reimbursement for Acetaminophen/codeine #3 tablets, Gabapentin 300 mg capsules, and Methocarbamol 500 mg tablets that were dispensed on April 4, 2018. Flahive, Ogden & Latson made arguments for non-payment of the services in its position statement.

The response from the insurance carrier is required to address only the denial reasons presented to the requestor the request for medical fee dispute resolution (MFDR) was filed with the Texas Department of Insurance, Division of Workers’ Compensation (DWC). Any new denial reasons or defenses raised shall not be considered in this review.<sup>1</sup>

The submitted documentation does not support that any denial was provided to Memorial<sup>2</sup> before this request for MFDR was filed. Therefore, the DWC will not consider the arguments raised in its position statement in the current dispute review.

2. Because the insurance carrier failed to support any denial of payment, Memorial is entitled to reimbursement.

The reimbursement for the drugs considered in this dispute is calculated as follows<sup>3</sup>:

- Acetaminophen/codeine #3 tablets:  $(0.55186 \times 60 \times 1.25) + \$4.00 = \$45.39$
- Gabapentin 300 mg capsules:  $(1.3307 \times 60 \times 1.25) + \$4.00 = \$103.80$
- Methocarbamol 500 mg tablets:  $(0.4825 \times 60 \times 1.25) + \$4.00 = \$40.19$

The total reimbursement is therefore \$189.38. This amount is recommended.

**Conclusion**

**The outcome of each independent medical fee dispute relies upon the relevant evidence presented by the requestor and the respondent at the time of adjudication. Though all the evidence in this dispute may not have been discussed, it was considered.** For the reasons stated above, the DWC finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$189.38.

***ORDER***

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the DWC has determined the requestor is entitled to additional reimbursement for the disputed services. The DWC hereby ORDERS the respondent to remit to the requestor \$189.38, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
