FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical compounds.
3. The insurance carrier reduced payment for the disputed services based on medical necessity.

Issues

1. Did Protective Insurance Company respond to the medical fee dispute?
2. Is this dispute subject to dismissal based on medical necessity?
3. Is Memorial Compounding Pharmacy (Memorial) entitled to reimbursement for the compound in question?

Findings

1. The insurance carrier's Austin representative acknowledged receipt of the copy of this medical fee dispute on October 24, 2018. The insurance carrier's response is considered timely if it is submitted within 14 calendar days after the date the insurance carrier's representative received the copy of the dispute. If a response is not received within 14 calendar days of the dispute notification, then the decision may be based on the available information.¹

No response has been received on behalf of Protective Insurance Company to date. For that reason, the decision will be based on the information available.

2. Per explanation of benefits dated April 6, 2018, the insurance carrier denied the disputed compound based on medical necessity.

Medical necessity disputes must be resolved prior to submission of a medical fee dispute.² The insurance carrier is required to perform a utilization review before a denial based on medical necessity, including giving the health care provider – in this case, Memorial – an opportunity to discuss the treatment in question.³

The respondent is required to submit documentation to support a denial based on lack of medical necessity.⁴ City of Houston provided no evidence to support that it performed a utilization review on the drugs in question to determine medical necessity.⁵ This denial reason is not supported.

3. Because the insurance carrier failed to sufficiently support its denial of reimbursement, Memorial is entitled to reimbursement.

The compound in dispute was billed by listing each drug included in the compound and calculating the charge for each drug separately.⁶ Each ingredient is listed below with its reimbursement amount.⁷ The calculation of the total allowable amount is as follows:

Drug	NDC	Generic(G) /Brand(B)	Price /Unit	Units Billed	AWP Formula	Billed Amt	Lesser of AWP and Billed
Flurbiprofen	38779036209	G	\$36.58	6	\$274.35	\$219.48	\$219.48
Meloxicam	38779274601	G	\$194.67	0.18	\$43.80	\$35.04	\$35.04
Mefenamic Acid	38779066906	G	\$123.60	1.8	\$278.10	\$222.48	\$222.48
Baclofen	38779038809	G	\$35.63	3	\$133.61	\$106.89	\$106.89
						Total	\$583.89

The total reimbursement is therefore \$583.89. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$583.89.

ORDER
