FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.502 sets out the procedures for pharmaceutical benefits.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
   - 62 – No proof of pre-auth

Issues

1. Is the carrier's reason for denial of payment supported?
2. Was the dispute filed timely to MFDR?

Findings

1. The requestor is seeking reimbursement of $267.50 for a medication dispensed July 13, 2017. The carrier denied the disputed compound with claim adjustment reason code 62 – "No proof of pre-auth."

   For the dates of service in dispute the applicable rule is 28 Texas Administrative Code §134.530(b)(2) which states that preauthorization is **only** required for:

   - drugs identified with a status of "N" in the current edition of the *ODG Treatment in Workers' Comp* (ODG) / Appendix A, *ODG Workers' Compensation Drug Formulary,* and any updates;

   Review of the Official Disability Guidelines (ODG), Appendix A found "Lidocaine" under Topical Analgesics is listed as a "N" drug. LenzaPatch: Generic name, (lidocaine & menthol) is a "N" drug and requires preauthorization. The carrier's denial is supported. No additional payment is recommended.

2. The request for MFDR was received November 15, 2018. 28 Texas Administrative Code §133.307(c)(1) states:

   > Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR Section receives the request. (A) A request for medical fee dispute resolution that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute."

   The date of the service in dispute is July 13, 2017. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on November 15, 2018. This date is later than one year after the date(s) of service in dispute.

   The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is $0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to $0.00 additional reimbursement for the services in dispute.
