Background

- The services in dispute were reduced/denied by the respondent with the following reason codes:

Issue

Findings

The requestor is seeking \$566.53 for compounded pharmacy services rendered November 15, 2017.

28 TAC §133.307(c)(1) states in pertinent part,

Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR Section receives the request.

The date of the service in dispute is November 15, 2017. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on November 26, 2018. This date is later than one year after the date(s) of service in dispute. The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
