FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes
- 28 Texas Administrative Code §134.503 sets out the reimbursement for compound medications
- Explanation of Benefits:
Issued September 28, 2018
 - D – Duplicate billing

Findings

The Division makes the following conclusions based upon the information and documentation presented to the Division to date. Even though all the evidence was not discussed, it was considered.

1. Did the carrier reimburse Memorial for the disputed services?

Memorial Compounding Rx (Memorial) asserts that the carrier has not paid for the service in dispute. Review of the explanations of benefits provided finds that the carrier initially denied payment due to duplicate billing. Upon reconsideration, the carrier did not maintain its original denial and decided to issue a payment in the amount of \$702.68 to Memorial on January 4, 2019.

The Division concludes that the carrier changed its original final action and decided to reimburse Memorial for the disputed amount.

Memorial was notified by the Carrier and by the Division’s medical fee dispute resolution program that the full amount in dispute was paid, however Memorial has not taken the opportunity to refute the carrier’s evidence or respond to the Division with additional information.

For that reason, the Division moves to resolve this dispute with the information available and concludes that no additional reimbursement can be recommended.

Conclusion

The Division concludes that Memorial has already been paid for the service in dispute. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, and pursuant to Texas Labor Code Section 413.031, the division has determined that the requestor is not entitled to additional reimbursement for the services in dispute.
