Findings

Based on the information presented to MFDR by the parties up to the date of review, the division makes the following findings. Even though not all the evidence was discussed, it was considered.

1. Did the carrier reimburse Memorial for the disputed services?

Memorial Compounding Pharmacy (Memorial) asserts the insurance carrier has not paid for the services in dispute. Review of the submitted explanations of benefits (EOB) finds the carrier initially denied payment for lack of preauthorization. Upon reconsideration, the carrier did not maintain its denial, issuing payment of \$701.66.

2. Is additional reimbursement due?

The carrier reduced payment for the disputed services to a total of \$701.66, indicating adjustment reason code P12 – “WORKERS' COMPENSATION JURISDICTIONAL FEE SCHEDULE ADJUSTMENT” as the reason for reduction.

Rule §134.503(c) requires the insurance carrier to reimburse prescription drugs the lesser of: (1) the fee established by formula in the rule based on the average wholesale price (AWP) as reported by nationally recognized pharmaceutical pricing data; or (2) the amount billed.

Memorial requests reimbursement of \$702.68 for the disputed services. The requestor has the burden at MFDR to support its position that additional reimbursement is due. In its position statement, Memorial did not explain or demonstrate how it arrived at the requested reimbursement amount or whether that payment is consistent with the methodology listed in Rule §134.503(c).

The division further notified Memorial of the carrier’s payment and asked the requestor to respond with any additional information pertaining to this dispute. To date, Memorial has not responded.

Based on the information available at the time of review, additional reimbursement cannot be recommended.

Conclusion

The division concludes that the requestor has already been paid for the service in dispute. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
