FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.

Issue

Did the requestor waive the right to medical fee dispute resolution?

Findings

The requestor is seeking reimbursement of professional medical services rendered on November 9, 2017 in the amount of \$23,000.00. The respondent states, "US Pain & Spine filed an MDR request for the November 9, 2017 date of service on December 17, 2018, more than a year after the disputed date of service."

28 Texas Administrative Code §133.307(c)(1) states:

"Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR Section receives the request.

(A) A request for medical fee dispute resolution that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute."

(B) A request may be filed later than one year after the date(s) of service if:

(i) a related compensability, extent of injury, or liability dispute under Labor Code Chapter 410 has been filed, the medical fee dispute shall be filed not later than 60 days after the date the requestor receives the final decision, inclusive of all appeals, on compensability, extent of injury, or liability;

(ii) a medical dispute regarding medical necessity has been filed, the medical fee dispute must be filed not later than 60 days after the date the requestor received the final decision on medical necessity, inclusive of all appeals, related to the health care in dispute and for which the insurance carrier previously denied payment based on medical necessity; or

(iii) the dispute relates to a refund notice issued pursuant to a division audit or review, the medical fee dispute must be filed not later than 60 days after the date of the receipt of a refund notice.

The date of the service in dispute is November 9, 2017. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on December 17, 2018. This date is later than one year after the date(s) of service in dispute.

Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307, subparagraph (B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

**Conclusion**

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.

**ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
