#### **FINDINGS AND DECISION**

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

- 28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.
- The services in dispute were reduced/denied by the respondent with the following reason codes:
  - 16 – Claim/service lacks information or has submission/billing error(s)
  - 193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly

**Issue**

- Did the requestor waive the right to medical fee dispute resolution?

**Findings**

28 Texas Administrative Code §133.307(c)(1) states:

Timeliness. A requestor shall timely file with the Division's MDR Section or waive the right to MDR. The Division shall deem a request to be filed on the date the MDR Section receives the request. (A) A request for medical fee dispute resolution that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute.

The date of the service in dispute is December 7, 2017. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on January 2, 2019. This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not

involve issues identified in §133.307, subparagraph (B). The Division concludes that the requestor has failed to timely file this dispute with the Division's MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

**Conclusion**

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.

**ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
