Response Submitted by: The Hartford

SUMMARY OF FINDINGS

Table with 4 columns: Dates of Service, Disputed Services, Amount In Dispute, Amount Due. Rows include dates from February 2018 and corresponding service numbers and amounts.

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.203 sets out the reimbursement guidelines for professional medical services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- 119 - Benefit maximum for this time period or occurrence has been reached
- 163 - The charge for this procedure exceeds the unit value and/or the multiple procedure rules
- P12 - Workers' compensation jurisdictional fee schedule adjustment

Issues

1. Are the insurance carrier's reasons for denial or reduction of payment supported?
2. What is Medicare payment policy?
3. What rule is applicable to reimbursement guidelines?
4. Is the requestor entitled to additional reimbursement?

Findings

1. The requestor is seeking additional reimbursement in the amount of \$97.91 for physical therapy services rendered on February 21, 2018 and February 26, 2018. The carrier denied/reduced the services in dispute as, 119 – "Benefit maximum for this time period or occurrence has been reached" and 163 – "The charge for this procedure exceeds the unit value and/or the multiple procedure rules."

Review of the Medicare Claims Processing Manual, <https://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals/Internet-Only-Manuals-IOMs.html>, Chapter 5 - Part B Outpatient Rehabilitation and CORF/OPT Services 20.2 – D, which states in pertinent part,

Reporting of Service Units With HCPCS, D. Specific Limits for HCPCS. The Deficit Reduction Act of 2005, section 5107 requires the implementation of clinically appropriate code edits to eliminate improper payments for outpatient therapy services. The following codes may be billed, when covered, only at or below the number of units indicated on the chart per treatment day.

However, the codes in dispute 97110 and 97035 are not listed on this chart.

Therefore, the carrier's denial for "benefit maximum" is not supported. The reduction based on multiple procedure rules is discussed below.

2. 28 Texas Administrative Code 134.203 (a) (5) and (b) (1) states in pertinent part,
"Medicare payment policies" when used in this section, shall mean reimbursement methodologies, models, and values or weights including its coding, billing, and reporting payment policies as set forth in the Centers for Medicare and Medicaid Services (CMS) payment policies specific to Medicare.
(b) For coding, billing, reporting, and reimbursement of professional medical services, Texas workers' compensation system participants shall apply the following:

(1) Medicare payment policies, including its coding; billing; correct coding initiatives (CCI) edits; modifiers;

The Centers for Medicare and Medicaid Claims Processing Manual, Chapter 5, states in applicable section 10.7,

Medicare applies an MPPR to the PE payment when more than one unit or procedure is provided to the same patient on the same day, i.e., the MPPR applies to multiple units as well as multiple procedures. Many therapy services are time-based codes, i.e., multiple units may be billed for a single procedure. The MPPR applies to all therapy services furnished to a patient on the same day, regardless of whether the services are provided in one therapy discipline or multiple disciplines, for example, physical therapy, occupational therapy, or speech-language pathology.

Full payment is made for the unit or procedure with the highest PE payment.

*For subsequent units and procedures with dates of service on or after April 1, 2013, furnished to the same patient on the same day, **full payment is made for work and malpractice and 50 percent payment is made for the PE for services** submitted on either professional or institutional claims.*

Based on the above the multiple procedure reduction does apply and is shown in the next paragraph.

3. 28 Texas Administrative Code 134.203 (c) states in pertinent part,
To determine the MAR for professional services, system participants shall apply the Medicare payment policies with minimal modifications.

(1) For service categories of Evaluation & Management, General Medicine, Physical Medicine and Rehabilitation, Radiology, Pathology, Anesthesia, and Surgery when performed in an office setting, the established conversion factor to be applied is (date of service yearly conversion factor).

The Medicare Multiple Procedure Payment Reduction file is found at:

<https://www.cms.gov/Medicare/Billing/TherapyServices/index.html>

The MAR calculation is as follows:

- Procedure code 97035 billed February 21, 2018 has a PE of .16 not the highest for this date and will be paid at the reduced rate of \$10.85. $58.31/35.9996 \times \$10.85 = \17.57
 - Procedure code 97035 billed February 26, 2018 has a PE of .16 not the highest for this date and will be paid at the reduced rate of \$10.85. $58.31/35.9996 \times \$10.85 = \17.57
 - Procedure code 97110 billed February 21, 2018 has a PE of 0.4 not the highest for this date and will be paid at the reduced rate of \$24.25. $58.31/35.9996 \times \$24.25 = \39.28
 - Procedure code 97110 billed February 26, 2018 for two units has a PE of 0.4 the highest for this date. The first unit will be paid at the full allowable of \$31.55. $58.31/35.9996 \times \$31.55 = \51.10 . The second unit will be paid at the reduced rate of \$24.25. $58.31/35.9996 \times \$24.25 = \39.28 . $\$51.10 + \$39.28 = \$90.38$
 - Procedure code 97161 billed February 21, 2018 has a PE of 1.13 the highest for this date and will be paid at the full allowable of \$86.35. $58.31/35.9996 \times \$86.35 = \139.86 .
4. The total allowable reimbursement for the services in dispute is \$304.66. The carrier made a total payment of \$304.66. No additional payment is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
