FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §133.20 sets out requirements of medical bill submission.
3. Texas Labor Code 408.0272 sets out the workers compensation timely billing and exceptions guidelines.
4. 28 Texas Administrative Code §102.4 sets out general guidelines for non-commission communications.
5. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
• 29 – The time limit for filing has expired

Issues

- 1. Are the insurance carrier’s reasons for denial or reduction of payment supported?

Findings

- 1. The requestor is seeking \$1,895.00 for professional medical services rendered from March 2, 2018 through May 8, 2018. The insurance carrier denied disputed services with claim adjustment reason code 29 – “The time limit for filing has expired.”

28 TAC §133.20 (b) states in pertinent part,

(b) Except as provided in Labor Code §408.0272(b), (c) or (d), a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided. Texas Labor Code 408.0272. (b) and (c) states in pertinent part,

(b) Notwithstanding Section 408.0272, a health care provider who fails to timely submit a claim for payment to the insurance carrier under Section 408.0272(a) does not forfeit the provider's right to reimbursement for that claim for payment solely for failure to submit a timely claim if:

(1) the provider submits proof satisfactory to the commissioner that the provider, within the period prescribed by Section 408.027(a), erroneously filed for reimbursement with:

(A) an insurer that issues a policy of group accident and health insurance under which the injured employee is a covered insured;

(B) a health maintenance organization that issues an evidence of coverage under which the injured employee is a covered enrollee; or

(C) a workers' compensation insurance carrier other than the insurance carrier liable for the payment of benefits under this title;

(2) the commissioner determines that the failure resulted from a catastrophic event that substantially interfered with the normal business operations of the provider.

(c) Notwithstanding Subsection (b), a health care provider who erroneously submits a claim for payment to an entity described by Subdivision (1) of that subsection forfeits the provider's right to reimbursement for that claim if the provider fails to submit the claim to the correct workers' compensation insurance carrier within 95 days after the date the provider is notified of the provider's erroneous submission of the claim

Review of the submitted documents found insufficient evidence to support an exception to requirements of Rule 133.20 were met.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
