RESPONDENT'S POSITION SUMMARY

Respondent's Position Summary: "the provider is not entitled to additional reimbursement."

Response Submitted by: Flahive, Odgen & Latson, Attorneys at Law, PC

SUMMARY OF FINDINGS

Dates of Service	Disputed Services	Dispute Amount	Amount Due
October 30, 2018	Outpatient Occupational Therapy	\$11.82	\$0.00

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.403 sets out the hospital facility fee guideline for outpatient services.
- 28 Texas Administrative Code §134.203 sets out the fee guideline for professional medical services.
- Texas Labor Code §408.021 entitles an injured employee to all required health care as and when needed.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 119 – BENEFIT MAXIMUM FOR THIS TIME PERIOD OR OCCURRENCE HAS BEEN REACHED
 - P12 – WORKERS' COMPENSATION JURISDICTIONAL FEE SCHEDULE ADJUSTMENT.
 - 163 – THE CHARGE FOR THIS PROCEDURE EXCEEDS THE UNIT VALUE AND/OR MULTIPLE PROCEDURE RULES
 - 170 – REIMBURSEMENT IS BASED ON THE OUTPATIENT/INPATIENT FEE SCHEDULE.
 - 1115 - WE FIND THE ORIGINAL REVIEW TO BE ACCURATE AND ARE UNABLE TO RECOMMEND ANY ADDITIONAL ALLOWANCE
 - W3 – ADDITIONAL PAYMENT MADE ON APPEAL/RECONSIDERATION.
 - 193 – ORIGINAL PAYMENT DECISION IS BEING MAINTAINED. UPON REVIEW, IT WAS DETERMINED THAT THIS CLAIM WAS PROCESSED PROPERLY.

Issues

1. Is the injured employee subject to a benefit maximum?
2. Is the requestor entitled to additional reimbursement?

Findings

1. The insurance carrier denied payment for disputed services with claim adjustment reason code:

- 119 – BENEFIT MAXIMUM FOR THIS TIME PERIOD OR OCCURRENCE HAS BEEN REACHED

Texas Labor Code §408.021(a) provides that “An employee who sustains a compensable injury is entitled to all health care reasonably required by the nature of the injury as and when needed.”

The insurance carrier did not present any information to support that the injured employee or the disputed services were subject to a “benefit maximum.” This denial reason is not supported. The services will therefore be reviewed for reimbursement in accordance with division rules and fee guidelines.

2. This dispute regards outpatient occupational therapy services not paid under Medicare’s Outpatient Prospective Payment System but using Medicare’s Physician Fee Schedule. *DWC Hospital Fee Guideline* Rule §134.403(h) requires use of the fee guideline applicable to the code on the date provided if Medicare reimburses using other fee schedules. *DWC Professional Fee Guideline* Rule §134.203(c) requires the maximum allowable reimbursement (MAR) be determined by applying Medicare payment policies modified by DWC rules. The MAR is the sum of the geographically adjusted work, practice expense and malpractice values multiplied by a DWC conversion factor.

When more than one unit is billed of therapy services designated by multiple-procedure payment indicator ‘5’, Medicare policy requires the first unit of therapy with the highest practice expense for that day be paid in full. Payment is reduced by 50% of the practice expense (PE) for each extra therapy unit provided on that date.

Reimbursement is calculated as follows:

- Procedure code 97110, October 30, 2018, has a Work RVU of 0.45 multiplied by the Work GPCI of 1.012 is 0.4554. The practice expense RVU of 0.4 multiplied by the PE GPCI of 1.014 is 0.4056. The malpractice RVU of 0.02 multiplied by the malpractice GPCI of 0.768 is 0.01536. The sum is 0.87636 multiplied by the DWC conversion factor of \$58.31 for a MAR of \$51.10. For each extra therapy unit after the first unit of the code with the highest PE, payment is reduced by 50% of the practice expense. The PE for this code is not the highest for this date. The PE reduced rate is \$39.28.

The total MAR (maximum allowable reimbursement) for the services in dispute is \$39.28. The insurance carrier paid \$39.28. The amount due to the requestor is \$0.00. No additional payment is recommended.

Conclusion

In resolving disputes regarding the amount of payment due for health care determined to be medically necessary and appropriate for treatment of a compensable injury, the role of the division is to adjudicate the payment, given the relevant statutory provisions and division rules.

The division emphasizes the findings in this decision are based on the available evidence presented by the requestor and respondent up to the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons stated above, the division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
