FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.403 sets out the reimbursement guidelines for outpatient hospital services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- P12 - Workers' compensation jurisdictional fee schedule adjustment
- 4097 - Paid per fee schedule; charge adjusted because statute dictates allowance is greater than provider's charge

Issues

1. Is the insurance carrier's reduction supported?
2. What is the applicable rule for determining reimbursement for the disputed services?
3. Is the requestor entitled to additional reimbursement?

Findings

1. The requestor is seeking additional reimbursement in the amount of \$22.90 for outpatient hospital services rendered on December 17, 2018. The insurance carrier reduced disputed services as the "allowance is greater than provider's charge."

28 Texas Administrative Code §134.403 (e) states in pertinent part,

Regardless of billed amount, reimbursement shall be:

- (1) the amount for the service that is included in a specific fee schedule set in a contract that complies with the requirements of Labor Code §413.011; or
- (2) if no contracted fee schedule exists that complies with Labor Code §413.011, the maximum allowable reimbursement (MAR) amount under subsection (f) of this section, including any applicable outlier payment amounts and reimbursement for implantables.

The maximum allowable reimbursement is calculated below.

2. 28 TAC §134.403, (f) states,

The reimbursement calculation used for establishing the MAR shall be the Medicare facility specific amount, including outlier payment amounts, determined by applying the most recently adopted and effective Medicare Outpatient Prospective Payment System (OPPS) reimbursement formula and factors as published annually in the *Federal Register*. The following minimal modifications shall be applied.

- (1) The sum of the Medicare facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by:
 - (A) 200 percent; unless
 - (B) a facility or surgical implant provider requests separate reimbursement in accordance with subsection (g) of this section, in which case the facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by 130 percent.

Review of the submitted medical bill found implants were not applicable. The maximum allowable reimbursement is calculated as follows:

- Procedure code 23700 has status indicator J1, for procedures paid at a comprehensive rate. All covered services on the bill are packaged with the primary "J1" procedure (except those with status F, G, H, L or U; certain inpatient and preventive services; ambulance and mammography). This code is assigned APC 5112. The OPPS Addendum A rate is \$1,349.94, multiplied by 60% for an unadjusted labor amount of \$809.96, in turn multiplied by the facility wage index of 0.9592 for an adjusted labor amount of \$776.91. The non-labor portion is 40% of the APC rate, or \$539.98. The sum of the labor and non-labor portions is \$1,316.89. The Medicare facility specific amount of \$1,316.89 is multiplied by 200% for a MAR of \$2,633.78.
3. The total recommended reimbursement for the disputed services is \$2,633.78. The insurance carrier paid \$2,608.68. The requestor is seeking additional reimbursement of \$22.90. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$22.90.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$22.90, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
