FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307, effective May 31, 2012, sets out the procedures for resolving medical fee disputes.
- The services in dispute were reduced / denied by the respondent with the following claim adjustment reason codes:
 - 29-The time limit for filing has expired.

- 193-Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.

Issues

Does the documentation support requestor’s position that the disputed bills were submitted timely?

Findings

1. The requestor is seeking medical fee dispute resolution for the disputed services based upon timely filing.
2. According to the explanation of benefits, the respondent denied reimbursement for the disputed services based upon reason code “29-The time limit for filing has expired.”
3. 28 Texas Administrative Code §133.307(c)(1) states: "Timeliness. A requestor shall timely file the request with the division's MFDR Section or waive the right to MFDR. The division shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section. (A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of service in dispute is March 14, 2018. The request for medical dispute resolution was received in the Medical Fee Dispute Resolution (MFDR) section on April 2, 2019. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307(c)(1)(B). The Division concludes that the requestor has failed to timely file this dispute with the Division’s MFDR Section; consequently, the requestor has waived the right to medical fee dispute resolution for these services.

Conclusion

The Division finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute, as addressed in 28 Texas Administrative Code §133.307(c)(1) and (c)(1)(A). For that reason, the merits of the issues raised by the parties to this dispute for those dates have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
