FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.240 sets out the procedures for payment or denial of a medical bill.
- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.

4. The submitted documentation does not include an explanation of benefits for the billed services in question.

Issues

- 1. Did the insurance carrier take final action on the bill for the service in question prior to the request for medical fee dispute resolution (MFDR)?
- 2. Is Memorial Compounding Pharmacy (Memorial) entitled to reimbursement for the drugs in question?

Findings

1. Memorial is seeking reimbursement for drugs dispensed on December 14, 2018. Memorial states that

The original bill was submitted to carrier on **12/20/2018 via certified mail** ... Memorial did not receive any correspondence as per rule so we submitted a Request for Reconsideration ... The request was submitted and received by the carrier on **02/11/2019 via certified mail** still with no response.

The insurance carrier is required to take final action by paying, reducing, or denying the service in question not later than 45 days after receiving the medical bill. This deadline is not extended by a request for additional information.¹

The greater weight of evidence presented to the DWC supports that a complete bill for the services in question was received by the insurance carrier or its agent. No evidence was provided to support that American Home Assurance Company took final action on the bill for the service in question.

2. Because the insurance carrier failed to support its denial of payment for the disputed drugs, Memorial is entitled to reimbursement.

The reimbursement considered in this dispute is calculated as follows²:

- Tramadol HCl 50 mg tablets: $(0.834 \times 90 \times 1.25) + \$4.00 = \$97.83$
- Hydrocodone/APAP 10/325 tablets: $(0.97812 \times 90 \times 1.25) + \$4.00 = \$114.04$
- Methocarbamol 750 mg tablets: $(0.726 \times 30 \times 1.25) + \$4.00 = \$31.23$
- Naproxen 500 mg tablets: $(1.19280 \times 30 \times 1.25) + \$4.00 = \$48.73$

The total reimbursement is therefore \$291.83. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$291.83.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$291.83, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
