Findings

This dispute regards outpatient physical therapy services not paid under Medicare's Outpatient Prospective Payment System but using Medicare's Physician Fee Schedule. DWC *Hospital Fee Guideline* Rule §134.403(h) requires use of the fee guideline applicable to the code on the date provided if Medicare reimburses using other fee schedules. DWC *Professional Fee Guideline* Rule §134.203(c) requires the maximum allowable reimbursement (MAR) be determined by applying Medicare payment policies modified by DWC rules. The MAR is the sum of the geographically adjusted work, practice expense and malpractice values multiplied by a DWC conversion factor.

When more than one unit is billed of therapy services designated by multiple-procedure payment indicator '5', Medicare policy requires the first unit of therapy with the highest practice expense for that day be paid in full. Payment is reduced by 50% of the practice expense (PE) for each extra therapy unit provided on that date.

Reimbursement is calculated as follows:

- Procedure code 97140 (November 14 and November 21, 2018) has a Work RVU of 0.43 multiplied by the Work GPCI of 1.007 is 0.43301. The practice expense RVU of 0.35 multiplied by the PE GPCI of 0.986 is 0.3451. The malpractice RVU of 0.01 multiplied by the malpractice GPCI of 0.747 is 0.00747. The sum is 0.78558 multiplied by the DWC conversion factor of $58.31 for a MAR of $45.81. For each extra therapy unit after the first unit of the code with the highest PE, payment is reduced by 50% of the practice expense. The PE for this code is not the highest for these dates. The PE reduced rate is $35.75, multiplied by 2 visits is $71.50.

The total allowable reimbursement for the disputed services is $71.50. The insurance carrier paid $71.50. No additional payment is recommended.

Conclusion

For the reasons stated above, the division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is $0.00.

ORDER

In accordance with Texas Labor Code §413.031, based on the information submitted for review, the division hereby determines the requestor is entitled to $0.00 additional reimbursement for the services in dispute.
