REQUESTOR'S POSITION SUMMARY

[The requestor did not submit a position statement for consideration in this review.]

RESPONDENT'S POSITION SUMMARY

"Carrier maintains that it has paid or will pay all reasonable, necessary and related charges submitted for this date of service."

SUMMARY OF DISPUTE

Dates of Service	Disputed Services	Dispute Amount	Amount Due
November 6, 2018	Outpatient Hospital Services	\$212.23	\$212.23

AUTHORITY

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §134.403 sets out the hospital facility fee guideline for outpatient services.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 97 – PAYMENT ADJUSTED BECAUSE THE BENEFIT FOR THIS SERVICE IS INCLUDED IN THE PAYMENT/ALLOWANCE FOR ANOTHER SERVICE/PROCEDURE THAT HAS ALREADY BEEN ADJUDICATED.
 - P12 – WORKERS' COMPENSATION JURISDICTIONAL FEE SCHEDULE ADJUSTMENT.
 - OA – The amount adjusted is due to bundling or unbundling of services.
 - W3 – ADDITIONAL PAYMENT MADE ON APPEAL/RECONSIDERATION.
 - 193 – ORIGINAL PAYMENT DECISION IS BEING MAINTAINED. UPON REVIEW, IT WAS DETERMINED THAT THIS CLAIM WAS PROCESSED PROPERLY.

Issues

Is the requestor entitled to additional reimbursement?

Findings

This dispute regards outpatient facility services subject to DWC's *Hospital Facility Fee Guideline*, Rule §134.403, which requires the maximum allowable reimbursement (MAR) be the Medicare facility specific amount applying Medicare Outpatient Prospective Payment System (OPPS) formulas and factors modified by DWC rules.

Rule §134.403(f)(1) requires the Medicare facility specific amount and any outlier payment be multiplied by 200% for the disputed hospital facility services. Separate reimbursement for implants was not requested.

Medicare assigns an Ambulatory Payment Classification (APC) to OPPS services based on billed procedure codes and supporting documentation. The APC determines the payment rate. Reimbursement for ancillary items and services is packaged with the APC payment. CMS publishes quarterly APC rate updates, available at www.cms.gov. Reimbursement for the disputed services is calculated as follows:

- Procedure code 24149 has status indicator J1, for procedures paid at a comprehensive rate; all covered services on the bill are packaged with the primary "J1" procedure. This code is assigned APC 5114. The OPPS Addendum A rate is \$5,606.42, multiplied by 60% for an unadjusted labor amount of \$3,363.85, which is in turn multiplied by the facility wage index of 0.8244 for an adjusted labor amount of \$2,773.16. The cost of services does not exceed the threshold for outlier payment. The non-labor portion is 40% of the APC rate, or \$2,242.57. The sum of the labor and non-labor portions is the Medicare facility specific amount of \$5,015.73. This is multiplied by 200% for a MAR of \$10,031.46.
- Payment for all other services on the bill is packaged with the primary comprehensive J1 service per Medicare policy regarding comprehensive APCs. See *Medicare Claims Processing Manual* Chapter 4 §10.2.3 for details.

The total recommended reimbursement for the disputed services is \$10,031.46. The insurance carrier paid \$9,779.84. The requestor is seeking additional reimbursement of \$212.23. This amount is recommended.

Conclusion

In resolving disputes regarding the amount of payment due for health care determined to be medically necessary and appropriate for treatment of a compensable injury, the role of the division is to adjudicate the payment, given the relevant statutory provisions and division rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$212.23.

ORDER

In accordance with Texas Labor Code Section 413.031 and 413.019 (if applicable), based on the submitted information, the division finds the requestor is entitled to additional reimbursement. The division hereby ORDERS the respondent to remit to the requestor \$212.23, plus accrued interest per Rule §134.130, due within 30 days of receipt of this order.

YOUR RIGHT TO APPEAL

Either party to this medical fee dispute has a right to seek review of this decision in accordance with Rule §133.307.

The appealing party must submit a *Request to Schedule a Benefit Review Conference to Appeal a Medical Fee Dispute Decision* (form DWC045M). The division must receive the request within **twenty** days of your receipt of this decision.

The request may be faxed, mailed or personally delivered either to the field office handling the claim or to the division at the contact information listed on the form. You must deliver a copy of the request to all other parties involved in the dispute at the same time you file the request. Include a **copy** of this **Medical Fee Dispute Decision** together with any other information required by 28 Texas Administrative Code §141.1(d).

Si prefiere hablar con una persona en español acerca de ésta correspondencia, favor de llamar a 512-804-4812.
