Findings

The Division makes the following conclusions based upon the information and documentation presented to the Division to date. Even though all the evidence was not discussed, it was considered.

1. Did the carrier reimburse Memorial for the disputed services?

Memorial Compounding Rx (Memorial) asserts that the carrier has not paid for the service in dispute. Review of the submitted Medical Dispute Resolution Agreement provided finds that the carrier issued a payment in the amount of \$68.60 to Memorial based upon an agreement reached between the parties on June 3, 2019.

The Division concludes that Memorial has received payment for the service in dispute.

2. Is additional reimbursement due?

The carrier reduced the billed amount to a total payment of \$68.60. Rule at 28 Texas Administrative Code §134.503(c) applies and states, in pertinent part, that the insurance carrier shall reimburse the lesser of: (1) the fee established by the Division's applicable formula based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed; or (2) the amount billed to the insurance carrier.

Memorial is requesting reimbursement in the amount of \$109.18 for the disputed service. Memorial has the burden to support its request for this amount. In its original position statement, Memorial did not demonstrate how it arrived at the requested amount or whether that amount is consistent with the methodology under 28 TAC §134.503(c). After notification by the Division's medical fee dispute resolution program of the carrier's response and payment, Memorial did not take the opportunity to refute the carrier's payment calculation. For that reason, the Division moves to resolve this dispute with the information available and concludes that no additional reimbursement can be recommended.

Conclusion

The Division concludes that Memorial has already been paid for the service in dispute. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, and pursuant to Texas Labor Code Section 413.031, the division has determined that the requestor is not entitled to additional reimbursement for the services in dispute.
