# **Findings**

This dispute regards outpatient physical therapy services not paid under Medicare's Outpatient Prospective Payment System but using Medicare's Physician Fee Schedule. DWC *Hospital Fee Guideline* Rule §134.403(h) requires use of the fee guideline applicable to the code on the date provided if Medicare reimburses using other fee schedules. DWC *Professional Fee Guideline* Rule §134.203(c) requires the maximum allowable reimbursement (MAR) be determined by applying Medicare payment policies modified by DWC rules. The MAR is the sum of the geographically adjusted work, practice expense and malpractice values multiplied by a DWC conversion factor.

Medicare's multiple-procedure payment reduction (MPPR) policy requires the first unit of the therapy code with the highest practice expense be paid in full. Payment is reduced by 50% of the practice expense for each extra unit of therapy (codes with multiple-procedure indicator 5) provided on the same date.

Reimbursement is calculated as follows:

- Procedure code 97140 (July 9, July 2, July 24, July 25, and July 31, 2018) has a Work RVU of 0.43 multiplied by the Work GPCI of 1 is 0.43. The practice expense RVU of 0.35 multiplied by the PE GPCI of 0.938 is 0.3283. The malpractice RVU of 0.01 multiplied by the malpractice GPCI of 0.796 is 0.00796. The sum is 0.76626 multiplied by the DWC conversion factor of \$58.31 for a MAR of \$44.68. The PE for this code is not the highest for these dates; payment is reduced by 50% of the practice expense. The PE reduced rate is \$35.11, for 5 visits is \$175.55.
- Procedure code 97150 (July 2, July 24, July 25, and July 31, 2018) has a Work RVU of 0.29 multiplied by the Work GPCI of 1 is 0.29. The practice expense RVU of 0.22 multiplied by the PE GPCI of 0.938 is 0.20636. The malpractice RVU of 0.01 multiplied by the malpractice GPCI of 0.796 is 0.00796. The sum is 0.50432 multiplied by the DWC conversion factor of \$58.31 for a MAR of \$29.41. The PE for this code is not the highest for these dates; payment is reduced by 50% of the practice expense. The PE reduced rate is \$23.39, for 4 visits is \$93.56.

The total allowable reimbursement for the disputed services is \$269.11. The insurance carrier paid \$269.16. The amount due is \$0.00. No additional payment is recommended.

## **Conclusion**

For the reasons above, the division finds the requestor has not established that additional payment is due. As a result, the amount ordered is \$0.00.

## ORDER

In accordance with Texas Labor Code §413.031, based on the information submitted for review, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
