#### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

#### Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- 28 Texas Administrative Code §133.20 sets out requirements of medical bill submission.
- Texas Labor Code 408.0272 sets out the workers compensation timely billing and exceptions guidelines.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
  - 29 – The time limit for filing has expired

**Issues**

1. Are the insurance carrier’s reasons for denial or reduction of payment supported?

**Findings**

1. The requestor is seeking \$227.38 for Code G0463 rendered on July 12, 2018. The insurance carrier denied disputed services with claim adjustment reason code 29 – “The time limit for filing has expired.”

28 TAC §133.20 (b) states in pertinent part,

(b) Except as provided in Labor Code §408.0272(b), (c) or (d), a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided.

Review of the submitted documents found a submission report for the date of service and billed amount in dispute however, this report does not support the claim was successfully sent to the insurance carrier. No other documentation was found. The insurance carrier’s denial is supported.

**Conclusion**

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

***ORDER***

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
