Issues

Is the requestor entitled to additional reimbursement?

Findings

This dispute regards outpatient facility services subject to DWC's *Hospital Facility Fee Guideline*, Rule §134.403, which requires the maximum allowable reimbursement (MAR) be the Medicare facility specific amount applying Medicare Outpatient Prospective Payment System (OPPS) formulas and factors modified by DWC rules.

Separate reimbursement for implants was not requested. Rule §134.403(f)(1) requires the Medicare facility specific amount and any outlier payment be multiplied by 200% for these disputed hospital facility services.

Medicare assigns an Ambulatory Payment Classification (APC) to OPPS services based on billed procedure codes and supporting documentation. The APC determines the payment rate. Reimbursement for ancillary items and services is packaged with the APC payment. CMS publishes quarterly APC rate updates, available at www.cms.gov.

Reimbursement for the disputed services is calculated as follows:

- Procedure code 64910 has status indicator J1, for procedures paid at a comprehensive rate. All covered services on this bill are packaged with the primary "J1" procedure. This code is assigned APC 5432. The OPPS Addendum A rate is $4,627.59. This is multiplied by 60% for an unadjusted labor amount of $2,776.55, and in turn multiplied by the facility wage index of 0.8244 for an adjusted labor amount of $2,288.99. The non-labor portion is 40% of the APC rate, or $1,851.04. The cost of services does not exceed the threshold for outlier payment. The sum of the labor and non-labor portions is the Medicare facility specific amount of $4,140.03. This is multiplied by 200% for a MAR of $8,280.06.
- Payment for all other services on the bill is packaged with the primary comprehensive J1 service per Medicare policy regarding comprehensive APCs. See *Medicare Claims Processing Manual* Chapter 4 §10.2.3 for details.

The total recommended reimbursement for the disputed services is $8,280.06. The insurance carrier paid $8,072.37. The requestor is seeking additional reimbursement of $175.18. This amount is recommended.

Conclusion

For the reasons above, the division finds the requestor has not established that additional payment is due.
As a result, the amount ordered is $175.18.

ORDER

In accordance with Texas Labor Code Section 413.031 and 413.019 (if applicable), based on the submitted information, the division finds the requestor is entitled to additional reimbursement. The division hereby ORDERS the respondent to remit to the requestor $175.18, plus accrued interest per Rule §134.130, due within 30 days of receipt of this order.
