Issue

Did the requestor waive the right to medical fee dispute resolution?

Findings

28 TAC §133.307(c)(1) states: "Timeliness. A requestor shall timely file the request with the DWC's MFDR Section or waive the right to MFDR. The DWC shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section. (A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute." The date of service in dispute is March 23, 2018. The request for medical dispute resolution was received in the Medical Fee Dispute Resolution (MFDR) section on August 12, 2019. Review of the submitted documentation finds that the disputed services do not involve issues identified in §133.307(c)(1)(B). The DWC concludes that the requestor has failed to timely file this dispute with the DWC's MFDR Section; consequently, the requestor has waived the right to medical fee dispute resolution for these services.

Conclusion

The DWC finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute, as addressed in 28 TAC §133.307(c)(1) and (c)(1)(A). For that reason, the merits of the issues raised by the parties to this dispute for those dates have not been addressed.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the DWC has determined that the requestor is entitled to \$0.00 reimbursement for the services in dispute.
