#### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC).

**Background**

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.503 sets out the fee guidelines for pharmaceutical services.
3. The insurance carrier reduced payment for the disputed drugs citing the fee guidelines.

**Issues**

Is Memorial Compounding Pharmacy (Memorial) entitled to additional reimbursement?

**Findings**

Memorial is seeking reimbursement for drugs dispensed on May 6, 2019.

Review of the explanations of benefits finds that the insurance carrier issued a total payment in the amount of \$63.48 to Memorial on August 14, 2019 via check number 153245. The insurance carrier reduced the billed amount based on the workers’ compensation fee schedule. The DWC concludes that Memorial has received payment for the service in dispute.

Rule at 28 Texas Administrative Code §134.503(c) applies and states, in part, that the insurance carrier shall reimburse the lesser of: (1) the fee established by the DWC’s applicable formula based on the average wholesale price (AWP) as reported by a nationally recognized pharmaceutical price guide or other publication of pharmaceutical pricing data in effect on the day the prescription drug is dispensed; or (2) the amount billed to the insurance carrier.

Memorial is requesting reimbursement in the amount of \$160.26 for the disputed service. Memorial has the burden to support its request for this amount. In its original position statement, Memorial did not demonstrate how it arrived at the requested amount or whether that amount is consistent with the methodology under 28 TAC §134.503(c).

After notification by the DWC’s medical fee dispute resolution program of the insurance carrier’s response and payment, Memorial did not take the opportunity to refute the insurance carrier’s payment calculation. For that reason, the DWC moves to resolve this dispute with the information available and concludes that no additional reimbursement can be recommended.

**Conclusion**

For the reasons stated above, the DWC finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

**ORDER**

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the DWC hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
