### FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation (DWC). 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.

**Issues**

Did Nueva Vida Behavioral Health forfeit its right to medical fee dispute resolution for the date of service in question?

**Findings**

Nueva Vida Behavioral Health is seeking reimbursement for an examination performed on January 28, 2019.

The health care provider must request medical fee dispute resolution within one year from the date of service, except if a related compensability, extent of injury, or liability dispute exists; or a dispute regarding medical necessity has been filed.<sup>1</sup> If these exceptions apply, a request for medical fee dispute resolution must be filed within 60 days of the final adjudication of the disputed issue.

The DWC received the medical fee dispute resolution request on April 13, 2020. This is more than one year after date of service January 28, 2019. The DWC found no evidence to support that final adjudication of an exception applied to this date of service.

The DWC finds that Nueva Vida Behavioral Health has waived its right to medical fee dispute resolution for this date of service.

### **Conclusion**

For the reasons stated above, the DWC finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

### ***ORDER***

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the DWC hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
