FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

Issue

Did the requestor waive the right to medical fee dispute resolution?

**Findings**

28 TAC §133.307(c)(1) states request for medical fee dispute resolution that does not involve compensability, extent of injury or liability, medical necessity, or a refund request shall be filed no later than one year after the date(s) of service in dispute.

The date of the service in dispute is July 30, 2018. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on September 30, 2019.

This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues above.

DWC concludes that the requestor has failed to timely file this dispute with the DWC’s MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

**Conclusion**

DWC finds that the requestor has waived the right to medical fee dispute resolution for the services in dispute. For that reason, the merits of the issues raised by both parties to this dispute have not been addressed.

**ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, DWC has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
