### **Issues**

Is the requestor entitled to reimbursement for chronic pain management program rendered on May 29 and 30, 2019?

### **Findings**

1. The Austin carrier representative for Eastguard Insurance Co is Stone Loughlin & Swanson, LLP. Stone Loughlin & Swanson, LLP acknowledged receipt of the copy of this medical fee dispute on October 17, 2019. Rule §133.307(d)(1) states that if the division does not receive the response within 14 calendar days of the dispute notification, then the division may base its decision on the available information

As of today, no response has been received from the carrier or its representative. We therefore base this decision on the information available as authorized under §133.307(d)(1).

2. The requestor is seeking medical fee dispute resolution in the amount of \$1,625.00 for chronic pain management program rendered May 29 and 30, 2019.
3. The respondent denied reimbursement for the disputed chronic pain management program based upon the fee guideline.
4. The requestor contends that reimbursement is due because the disputed chronic pain management program was preauthorized. In support of their position, the requestor submitted a copy of a preauthorization report from Coventry dated May 1, 2019 authorizing 80 hours of chronic pain management program.
5. The fee guideline for chronic pain management services is found in 28 Texas Administrative Code §134.230.
6. 28 TAC §134.230(1)(A) states "Accreditation by the CARF is recommended, but not required. (A) If the program is CARF accredited, modifier "CA" shall follow the appropriate program modifier as designated for the specific programs listed below. The hourly reimbursement for a CARF accredited program shall be 100 percent of the maximum allowable reimbursement (MAR). (B) If the program is not CARF accredited, the only modifier required is the appropriate program modifier. The hourly reimbursement for a non-CARF accredited program shall be 80 percent of the MAR."
7. 28 TAC §134.230(5) states, "The following shall be applied for billing and reimbursement of Chronic Pain Management/Interdisciplinary Pain Rehabilitation Programs. (A) Program shall be billed and reimbursed using CPT code 97799 with modifier "CP" for each hour. The number of hours shall be indicated in the units column on the bill. CARF accredited programs shall add "CA" as a second modifier. (B) Reimbursement shall be \$125 per hour. Units of less than one hour shall be prorated in 15 minute increments. A single 15 minute increment may be billed and reimbursed if greater than or equal to eight minutes and less than 23 minutes."

The requestor billed 97799-CP-CA-GP; therefore, the disputed program is CARF accredited and reimbursement shall be 100% of the MAR.

The requestor billed for a total of 13 hours on the disputed dates of service; therefore, 100% of \$125.00 = \$125.00 X 13 hours = \$1,625.00. The respondent paid \$00.00. The requestor is due the difference of \$1,625.00

### **Conclusion**

For the reasons stated above, the DWC finds that the requestor has established that reimbursement is due. As a result, the amount ordered is \$1,625.00.

## ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the DWC has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The DWC hereby ORDERS the respondent to remit to the requestor the amount of \$1,625.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
