FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all-applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.305, sets out the procedures for resolving medical disputes.
2. 28 Texas Insurance Code Chapter 1305 applicable to Health Care Certified Networks.
3. 28 Texas Administrative Code §§10.120 through 10.122 address the submission of a complaint by a health care provider to the Health Care Network.

Issues

- 1. Is the requestor eligible for medical fee dispute resolution pursuant to 28 Texas Administrative Code §133.305?
2. What may be the appropriate administrative remedy to address fee matters related to health care certified networks?

Findings

1. The requestor is seeking additional reimbursement for outpatient hospital services rendered from April 30, 2019 – May 1, 2019. The insurance carrier reduced the billed amount based on contracted fee.

Review of the First Health/Travelers HCN provider search found the requestor (Southwest General Hospital) is an in-network provider. The respondent submitted evidence to support the injured worker is enrolled First Health/Travelers Health Care Network (HCN).

The authority of the DWC Medical Fee Dispute Resolution is to apply Texas Labor Code statutes and rules, and is limited to the conditions outlined in the applicable portions of the Texas Insurance Code (TIC), Chapter 1305 (a) (4) which defines a medical fee dispute as “A dispute that involves an amount of payment for **non-network** health care rendered to an injured employee that has been determined to be medically necessary and appropriate for treatment of that injured employee's compensable injury. The dispute is resolved by the Division pursuant to Division rules, including §133.307 of this title relating to MDR of Fee Disputes.”

DWC finds that this is not an out-of-network situation, as the injured employee and the health care provider are both in network. As a result, the medical fee dispute is not eligible for medical fee dispute resolution review under 28 TAC §133.307.

Medical fee dispute resolution at the DWC is not the appropriate administrative process to resolve a question regarding a Network payment reduction.

Texas Insurance Code Subchapter I,¹ Network complaint process outlined in the policies and procedures of the certified healthcare network is the appropriate remedy. The requestor may also choose to file a complaint with the Texas Department of Insurance.²

2. 28 TAC §§10.120 through 10.122 address the submission of a complaint by a health care provider to the Health Care Network.

The disputed services rendered by an in-network healthcare facility to an in-network injured employee may be filed to the Texas Department of Insurance's (TDI) Complaint Resolution Process, if the health care provider or facility is dissatisfied with the outcome of the network complaint process.

The complaint process outlined in Texas Insurance Code Subchapter I, §1305.401 - §1305.405 may be the appropriate administrative remedy to address fee matters related to health care certified networks.

¹ SUBCHAPTER I. COMPLAINT RESOLUTION

Sec. 1305.401. COMPLAINT SYSTEM REQUIRED. (a) Each network shall implement and maintain a complaint system that provides reasonable procedures to resolve an oral or written complaint. (b) The network may require a complainant to file the complaint not later than the 90th day after the date of the event or occurrence that is the basis for the complaint. (c) The complaint system must include a process for the notice and appeal of a complaint. (d) The commissioner may adopt rules as necessary to implement this section.

Sec. 1305.402. COMPLAINT INITIATION AND INITIAL RESPONSE; DEADLINES FOR RESPONSE AND RESOLUTION. (a) If a complainant notifies a network of a complaint, the network, not later than the seventh calendar day after the date the network receives the complaint, shall respond to the complainant, acknowledging the date of receipt of the complaint and providing a description of the network's complaint procedures and deadlines. (b) The network shall investigate and resolve a complaint not later than the 30th calendar day after the date the network receives the complaint.
