FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 29 – The time limit for filing has expired

Issue

- Did the requestor waive the right to medical fee dispute resolution?

Findings

1. The requestor is seeking reimbursement of professional medical services rendered on July 14, 2017 for \$10,434.56.
2. 28 TAC §133.307(c)(1) a request for medical fee dispute resolution shall be filed no later than one year after the date(s) of service in dispute unless it involves issues of compensability, extent of injury or liability, medical necessity or a refund.

The date of the service in dispute is July 14, 2017. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on October 30, 2019.

This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified above.

DWC concludes that the requestor has failed to timely file this dispute with DWC’s MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, DWC has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
