FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.404 sets out the acute care hospital fee guideline for inpatient services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
• P12 - Workers' compensation jurisdictional fee schedule adjustment

Issues

1. How does the applicable rule determine reimbursement for the disputed services?
2. Is the requestor entitled to additional payment?

Findings

1. This dispute regards inpatient hospital facility services with payment subject to 28 TAC §134.404(f) which requires the maximum allowable reimbursement (MAR) to be the Medicare facility specific amount (including outlier payments) applying Medicare Inpatient Prospective Payment System (IPPS) formulas and factors, as published annually in the Federal Register, with modifications set forth in the rules.

Medicare IPPS formulas and factors are available from the Centers for Medicare and Medicaid Services at <http://www.cms.gov>.

Separate reimbursement for implantables was not requested; accordingly, Rule §134.404(f)(1)(A) requires that, for these services, the Medicare facility specific amount, including any outlier payment, be multiplied by 143%.

Review of the submitted medical bill and supporting documentation finds the assigned DRG code to be 520. The service location is Plano, Texas. Based on DRG code, service location, and bill-specific information, the Medicare facility specific amount is \$7,656.83. This amount multiplied by 143% results in a MAR of \$10,949.27.

2. The total recommended payment for the services in dispute is \$10,949.27. The insurance carrier has paid \$10,949.27. No additional payment is recommended.

Conclusion

For the reasons stated above, the division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
