Requestor's Position Summary: "Underpaid/denied physical therapy rate."

Amount in Dispute: \$99.15

RESPONDENT'S POSITION SUMMARY

Respondent's Position Summary: "ESIS Med Bill Impact's Bill Review Department reviewed the above mentioned date of service and found that the provider was not due additional money."

Response Submitted by: ESIS

SUMMARY OF FINDINGS

Table with 4 columns: Dates of Service, Disputed Services, Amount in Dispute, Amount Due. Row 1: July 1 - 22, 2019, Outpatient therapy services, \$99.15, \$0.00

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.403 sets out the reimbursement guidelines for outpatient hospital services.
3. 28 Texas Administrative Code §134.203 sets out the reimbursement guidelines for professional medical services.
4. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- 59 - Processed based on multiple or concurrent procedure rules

- P12 – Workers compensation jurisdictional fee schedule
- 193 – Original payment decision is being maintained

Issues

1. Is the carrier’s reduction of payment supported?
2. Is the requestor entitled to additional reimbursement?

Findings

1. The requestor is seeking additional reimbursement for outpatient therapy services performed from July 1 – 22, 2019. The carrier reduced the allowed amount based on the workers compensation fee schedule and the Medicare multiple procedure payment rules.

28 TAC 134.403 applies to outpatient hospital services. Section (h) requires when Medicare reimburses using other Medicare fee schedules, reimbursement is made using the applicable Division Fee Guideline in effect for that service on the date was provided.

The applicable DWC fee guideline for physical therapy is 28 TAC §134.203 (b) (1) which requires the application of Medicare payment policies applicable to professional services.

Review of the Medicare policies finds multiple procedure payment reduction (MPPR) applies to the Practice Expense (PE) of certain time-based physical therapy codes when more than one unit or procedure is provided to the same patient on the same day.

The MPPR policy allows for full payment for the unit or procedure with the highest Practice Expense (PE) payment factor and for subsequent units the Practice Expense (PE) payment factor is reduced by 50 percent.

Review of the submitted medical bill provided indicates that three procedures were billed by the health care provider. In order to determine whether the MPPR applies to the service in dispute, the DWC must rank all the services provided by their PE payment factor.

Here is a chart ranking the PE payment for each of the codes billed by the health care provider.

Code	Practice Expense	Allowed Amount	Medicare Policy
97022	0.33	\$12.30	MPPR Applies
97110	0.4	31.08/23.98	No MPPR 1st unit MPPR applies to 2nd unit
97140	0.35	\$22.09	MPPR applies

The *MPPR Rate File* that contains the payments for 2019 services is found at <https://www.cms.gov/Medicare/Billing/TherapyServices/index.html>.

- MPPR rates are published by carrier and locality.
- The services were provided in Fort Worth, Texas.
- The locality code for Fort Worth is 28.

The following formula represents the calculation of the DWC MAR at §134.203 (c)(1) & (2).

$$(DWC\ Conversion\ Factor \div Medicare\ Conversion\ Factor) \times Medicare\ Payment = MAR$$

Applicable 28 TAC 134.203(h) states that the total reimbursement is the lesser of the maximum allowable reimbursement (MAR) and the billed amount.

Date of Service	Code	Units	Medicare Payment	DWC Conversion Factor divided by Medicare Conversion Factor or $59.19 \div 36.0391 = 1.64$	Billed Amount	Lesser of MAR and billed amount
July 1, 2019	97022	1	\$12.30	\$20.17	\$146.25	\$20.17
July 3, 2019	97022	1	\$12.30	\$20.17	\$146.25	\$20.17
July 15, 2019	97022	1	\$12.30	\$20.17	\$146.25	\$20.17
July 17, 2019	97022	1	\$12.30	\$20.17	\$146.25	\$20.17
July 22, 2019	97022	1	\$12.30	\$20.17	\$146.25	\$20.17
July 1, 2019	97140	1	\$22.09	\$36.23	\$146.25	\$36.23
July 3, 2019	97140	1	\$22.09	\$36.23	\$146.25	\$36.23
July 15, 2019	97140	1	\$22.09	\$36.23	\$146.25	\$36.23
July 17, 2019	97140	1	\$22.09	\$36.23	\$146.25	\$36.23
July 22, 2019	97140	1	\$22.09	\$36.23	\$146.25	\$36.23

- The total allowable DWC fee guideline reimbursement is \$282.00. The insurance carrier paid \$282.45. No additional payment is recommended.

Conclusion

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. The amount ordered is \$0.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031, the division hereby determines the requestor is entitled to \$0.00 additional reimbursement for the services in dispute.
