FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
• 150 – Payer deems the information submitted does not support this level of service
• 45 – Charge exceeds fee schedule/maximum allowable or contracted/legislated fee arrangement

Issue

Did the requestor waive the right to medical fee dispute resolution?

Findings

The requestor is seeking additional reimbursement for outpatient hospital services rendered in October 2018 in the amount of \$1,196.35.

28 TAC §133.307(c)(1) states a request for medical fee dispute shall be filed no later than one year after the date(s) of service in dispute unless an issue of compensability, extent of injury, liability, medical necessity or a refund request.

The date of the service in dispute is October 23, 2018. The request for medical dispute resolution was received in the Medical Dispute Resolution (MDR) section on December 17, 2019.

This date is later than one year after the date(s) of service in dispute. Review of the submitted documentation finds that the disputed services do not involve issues identified above.

DWC concludes that the requestor has failed to timely file this dispute with DWC’s MDR Section; consequently, the requestor has waived the right to medical fee dispute resolution.

Conclusion

In resolving disputes over reimbursement for medically necessary health care to treat a compensable injury, the role of DWC is to adjudicate payment following Texas laws and DWC rules. The findings in this decision are based on the evidence available at the time of review. Even though not all the evidence was discussed, it was considered.

For the reasons above the requestor has not established payment is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, DWC has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
